COUNTY TAKES PRISONERS FROM SALEM JAIL

19 Persons Injured In Collision Of Car, Truck Carrying Farm Workers

Nineteen persons were injured at 6:15 p.m. Wednesday in a collision between a car and a truck loaded with 28 farm workers on the Tippecanoe Rd., two miles south of Route 224. The workers were being returned to their homes from picking peaches at a nearby farm.

The injured were taken to two Youngstown hospitals in four ambulances.

Those taken to South Side Hospital in Youngstown were:

Sara Mitchell, 54, of Youngstown, possible fracture of the left knee.

Arthur Jones, 58, of Youngstown, contusions of the nose, discharged.

Vivian Hines, 13, of Youngstown, contusions of the right eye lid, discharged.

Irene Clash, 56, of Youngstown, being x-rayed for possible chest and back injury.

Pompiei Woods, 51, of Campbell, in emergency with a possible fracture of the neck and right leg.

Willie Clark, 15, of Youngstown, in fair condition with a possible fractured skull.

Hazel Stevenson, 12, of Youngstown, contusions of the left thigh, discharged.

Judith Hawks, 14, of Youngstown, possible fractured skull, discharged.

Joe Kozuska, 25, of Struthers, possible fracture of the left shoulder, discharged.

Peggy Hines, 16, of Youngstown, abrasions of the knees, discharged.

Donald Ward, 16, of Youngstown, being x-rayed for possible fracture of legs, elbows and forearms.

Mary Ward, 41, of Youngstown, being x-rayed for possible fracture of the skull and left leg and for chest and right leg injuries.

Eldra Ray, 52, of Youngstown, being x-rayed for a possible fracture of the right shoulder.

Those persons injured and taken to St. Elizabeth's Hospital in Youngstown were:

William C. Dehoff, 18, of RD 3, Canfield, driver of the car, serious condition with possible head injuries, lacerations of the right thigh and left forearm.

Mrs. Ruth Edwards, 26, of Youngstown, serious condition with contusions of the abdomen and back.

Mattie Sears, 30, of Youngstown, treated for possible fracture of the right ribs and discharged.

Essie Harris, 55, of Youngstown, treated for abrasions of the right hip and left arm and discharged.

Henry Gordon, 64, of Youngstown, treated for contusion of the head, elbows and chin and discharged.

James Hines, 14, of Youngstown, being x-rayed for possible fracture of the left hip and shoulder.

State highway patrolmen said the northbound truck carrying 28 workers returning home from peach picking at a farm nearby and driven by Billie Lee Sauerwein, 22, of RD 5, Salem, was hit by an out-of-control car being operated by Dehoff.

Patrolmen said the Dehoff car went out of control after running off the right side of the road, and then returned onto the road and hit the left side of the truck, turning it over on its right side. All passengers in the open truck were thrown out, patrolmen said.

The impact of the crash was so great, patrolmen said, that the entire left side of the car was ripped open. Considerable damage was received on the left side of the truck. Investigation into the accident will be continued, the patrol said.

Peron Tightens Grip, Warns Of More Violence

To Repress Enemies; Big Mob 'Persuades' Him Not To Resign

BUENOS AIRES, Argentina (AP)—President Juan D. Peron tightened a firm new grip on Argentina today, warning grimly that opposition violence will be met by "action still more violent."

He told a well-organized demonstration of many thousands Wednesday night he was withdrawing his offer to step down as president. Earlier Wednesday, he had announced he would resign if it would guarantee "pacification" of the nation.

Speaking before the wildly cheering throng in the central Plaza de Mayo, he said it was clear his opponents "do not want the pacification we have offered them."

"There remain only two roads: for the government, a repression adjusted to the subversive actions; for the people, an action, a struggle which matches the violence to which they want to carry us," he said.

"We have to answer violence with greater violence. And when one of our people falls, five of them will fall."

Dominating the 10-hour demonstration were Peron's General Confederation of Labor (CGT)—the popular basis of this strength—and the men's and women's Peronista parties. The army, which had saved Peron from the unsuccessful June 16 revolt and kept him in office, was conspicuously absent from the vast crowd.

The first announcement that Peron had offered to resign was broadcast Wednesday morning by Hugo di Pietro, CGT secretary. The announcement touched off a general strike by the labor group and a call for mass demonstrations.

The resignation offer was not

Action Results From Authority Disagreement

Sheriff Charges Mayor Used Prisoners For Personal Work

Disagreement over official authority over Columbiana County prisoners kept in the Salem City Jail has resulted in the removal of county prisoners here.

The rift has occurred between Columbiana County Sheriff Howard Clark and Mayor Deen B. Cranmer, coming to a climax yesterday when Deputy Sheriff Russell VanFossan took the last prisoner out of the jail and removed the bedding which had been provided by the county.

Sheriff Clark charges that the mayor released two prisoners from the jail without authorization and had one of the prisoners do personal work for him (the mayor).

Mayor Cranmer said he tried to get in touch with the sheriff that particular day but could not reach him.

The mayor explained today that he became tired of Sheriff Clark's exercising of authority and wrote a letter to Walter J. Hunston, president of the Columbiana County Commissioners, asking that county prisoners be removed from the Salem jail.

County prisoners have been housed here and at East Liverpool and in village jails in the county during the construction of the new county jail in Lisbon.

Sheriff's Letter to Mayor

Sheriff Howard Clark's letter (dated Aug. 2) to Mayor Dean Cranmer reads:

"It has come to my attention that you arranged for the temporary release from confinement in the Salem city jail of two men, Gordon Sims and William Tyson.

"These prisoners were county jail prisoners, having been committed to await the action of county grand jury. I further understand that these prisoners were temporarily taken from the confines of the Salem city jail to perform some task for you personally..

"I am sure that you understand the arrangements under which these men were imprisoned in the Salem city jail. Being county jail prisoners, these men were in my custody as county prisoners and should not have been removed from the city jail under any circumstances except upon my authority as I understand the agreement between the Columbiana county commissioners and the city of Salem.

"The facilities of the Salem city jail have been made avaliable to me as county sheriff for a limited number of prisoners, and that such prisoners are not subject to the administrative control of any Salem city official, except insofar as they are to be governed by the regulations imposed upon any prisoners incarcerated in the Salem city jail.

"While I fully appreciate the favor extended by the City of Salem during the present emergency until the new county jail is ready for occupancy, if there is any further unauthorized control exercised over county prisoners I will have no further alternative than to suggest to the county commissioners that the present arrangement with the City of Salem be terminated."

Mayor Cranmer's letter to county commissioners reads:

"Walter J. Hunston, President:

"Gentlemen — I received a letter from your sheriff's department stating that if certain practices did not stop he would ask you to cancel the contract with the city of Salem for the keeping of your county prisoners.

"I do not remember of any contract being signed. I did this as a friendly gesture as you were in a spot for housing county prisoners. We received no compensation for this and it seems that every time I turn around certain things are questioned so I believe it would be best that you notify your sheriff's department that we no longer wish to have county prisoners brought into our jail, as I have enough arguments in the City of Salem without arguing with people outside the municipal corporation."

Mayor Cranmer said this morning that most of the county prisoners kept in the Salem jail had

Investigate Theft Of Ammunition

Dangerous Shells Taken From Ravenna

RAVENNA, Ohio (AP) — Army Ordnance officials investigated reports last night that large quantities of potentially dangerous small arms ammunition have been pilfered from Ravenna arsenal.

The ammunition, said to have been smuggled past guards, included shotgun and rifle shells that had become water-soaked and were slated for demolition.

Cases On Sale

Cases of it reportedly were on sale in bars around the Ravenna Windham area.

Originally valued at $106,000, the ammunition had been brought to the arsenal by the George Worthington Co., a Cleveland hardware firm, after a basement flood last January soaked the shells and rendered them dangerous.

Brought to the arsenal for destruction were more than five million rounds. Norman F. Luekens, Worthington secretary tresaurer, said the company paid $1,300 to have the cartons destroyed.

Fouled Barrels

In tests by Worthington personnel, it was found that some of the damaged shells caused barrels to become fouled or plugged by paper fragments.

The Firestone Tire & Rubber Company operates the arsenal. Asked for comment, a Firestone spokesman said:

"We have no statement. Army Ordnance is looking into it. They operate this installation."

Mobile X-ray Unit Continues County Tour

LISBON — The state's mobile X-ray unit, giving free chest X-rays throughout the county since Monday will make stops today at Nittany Drive at Summitville from 1 to 4 p.m. and Salineville High School from 6 to 9 p.m.

The unit will wind up its tour Friday after giving x-rays at United Local School at New Garden from 1 to 4 p.m. and at the Courthouse in Lisbon from 6 to 9 p.m.

Dr. A. S. Rumreich, county health commissioner today declined comment on the number of x-rays given by the unit Wednesday in Rogers and Glenmoor.

About 970 x-rays were given during the first two days of the tour.

2 Salem Men Pass Medical Exams

Raymond T. Holzbach II, son of Dr. and Mrs. R. T. Holzbach of 1081 Jennings Ave., and August B. Juliano, son of Mr. and Mrs. Carmine Juliano of 418 Columbia St., were successful in June examinations for licenses to practice medicine in Ohio, the State Medical Board announced today.

They were among 427 who received certificates to practice medicine and surgery in the state.

Board attaches said the list of successful applicants was the largest in recent years and reflected the expanded medical training programs at Ohio's three medical schools - Ohio State University, University of Cincinnati and Western Reserve University.

Holzbach graduated in June from Western Reserve. He has begun his interneship at Vocational and Educational Hospital of the University of Illinois in Chicago.

Juliano graduated in June from Ohio State and will take his interneship at Allegheny General Hospital in Pittsburgh.

Others from the district who were successful in the examinations include Daniel A. Kibler of East Palestine, David L. Kinsey of East Liverpool, Peter Demjantschuk of Alliance, Charles A. East of North Canton and Marcus W. Rubright of North Canton.

Swimming Show Set For Park Tonight

The first performance of the 1955 Salem synchronized swimming show directed by John Cabas will be presented tonight at 8:30 p.m. at the Centennial Park Swimming Pool.

Cabas said that bleachers have been erected inside the fenced in pool area so that people will be able to watch the show better.

In addition to the show presented by the girls synchronized swimming class, both serious and comic diving exhibitions will be put on by Homer Lau, John Mackey and Keith Krepps.

Tickets will be on sale at the pool box office, Cabas said. The show will be repeated on Friday night at the pool.

Salem Girl Runs Into Side Of Car, Is Hurt

A five-year-old Salem girl was slightly injured at 11 a.m. Wednesday when she ran into the side of a moving car on N. Ellsworth Ave. near Fifth St.

Police said Shirley Papic, 5, of RD 4, Salem, ran from the east side of the street into the side of a southbound car being operated by Mary C. Goodwin, 73, of 1242 Maple St. The young girl was taken to Salem Clinic, where she was treated for contusions of the left arm, leg and hip and released.

Jury To Try Lisbon Man On Traffic Charge

LISBON — Jack D. Adams of N. Market St., cited Wednesday by village police for driving while intoxicated, will be tried by a jury of 12 Columbiana County residents on the charge Tuesday at 7:30 p.m. in the court of Mayor Wilbur Warren.

Adams, who declined to take an intoximeter test, refused to sign a waiver of jury Wednesday at a hearing before Mayor Warren. The mayor placed Adams under $1,000 property bond.

Mayor Warren said the jury trial will be the first to be held in his court. He obtained a list of 20 prospective jurors from the county clerk of courts office.

Jack Myers of LaBelle, Pa., cited Wednesday by the State Highway Patrol for speeding forfeited a $25 appearance bond.

Dome Atop County Courthouse Being Repaired, Shined

LISBON — V. E. Fickes, Warren steeplejack who has the $3,000 contract to renovate the Courthouse dome, said today he has been authorized to build a railing around the dome so bulbs can be strung to light up the dome at night.

Fickes said he is building a door in the dome so electricians can climb the stairs inside to go out on the roof and replace the bulbs. The steeplejack is also reinforcing the dome.

Fickes, with the aid of his sons, Larry and Bill, has torn off the old metal on the dome and will replace it with 16-gauge copper.

He also said Justitia, the Roman goddess of justice on top of the dome, is wearing a blindfold and not simply an extra coating of paint as he at first supposed. The blindfold, it was learned, signifies the impartiality of justice.

Fighting Flares On Gaza Front; 2 Arab Jets Hit

JERUSALEM (AP)—Fighting flared furiously along the Gaza front today.

Israel announced two of her jets downed two Egyptian fighters and, on the ground, her forces blew up an Egyptian military headquarters inside the battle-scarred coastal area.

An Israeli army spokesman said the Egyptian Vampire jets were patrolling over Israeli territory when the Israeli pilots engaged them. He said both Egyptian pilots were killed.

The dogfight reportedly occurred near the Jewish settlement of Yad Mordeohai three miles north of the Egyptian-held Gaza Strip.

The spokesman said the wreckage of both planes came down inside Israeli territory.

It was the second reported air encounter between Egypt and Israel since the 1948 Palestine War.

Two Israeli planes clashed briefly Monday with four Egyptian Vampires. An Israeli spokesman said one of the Vampires was hit, but authorities in Cairo said there were no casualties.

The Israeli Foreign Office described Wednesday night's ground raid against Egypt's Khan Yunis encampment as defense against "active warefare" by Egypt. A spokesman said armor and troops punched through the frontier lines to wipe out a base "Egyptian terrorists" were using to launch attacks against Israel.

"After blowing up the headquarters building, our forces returned toward Israel. Our casualties were one killed and eight wounded," a statement reported.

The attack came after the Jews said they would not join Egypt in a U.N.-sponsored cease-fire unless the Egyptians shouldered blame for the past week's stepped-up violence along the Gaza frontier. At least 26 Israelis and 10 Egyptians have been reported killed since last Thursday.

They agreed to the ceasefire Tuesday night.

A spokesman for the U.N. truce chief, Canadian Maj. Gen. E. L. M. Burns, yesterday described the situation as "very serious." He said Burns still hoped to achieve a cease-fire.

The Israeli Foreign Office statement said last night's raid was aimed at stopping an Egyptian "campaign of aggression" which had made the 1949 Palestine agreement "virtually inoperative."

"Egypt's violations of the armistice have ceased to be an exception—they have become the daily rule," the statement declared, accusing the Egyptians of 14 attacks in the past 10 days. The statement continued:

August Set New Record For Warmth

Last month was the warmest August on record, as many sweltering district residents already had guessed, L. H. Copeland of Hanoverton, district weather observer, reports.

The mean temperature for the month was 75.2. The coolest August on record was in 1927 when the mean temperature was 62.8. The average August temperature for the past 63 years has been 68.9.

The heat wave brought high temperatures of 98 on Aug. 3 and 4, highest for the month. Low temperature for the month was 45 on Aug. 24.

The all-time August high is 103.

There were 13 clear, 14 partly cloudy and four cloudy days in the month, Copeland reports.

Sunshine for August was 65 per cent of the days, against 55 per cent for last year and a normal of 70 per cent.

Copeland reports that this year is now ahead 3,050 degrees in temperature over a normal year.

He predicts pleasant weather for the fall season.

Copeland reports that the heat wave began June 16 and continued 76 days with the temperature in the 80s, with only five days when it failed to reach 80.

Judge Sharp Continues Parole Violation Case

LISBON—A parole violation hearing for Phillip Sole of RD 1, Wellsville was continued until Sept. 23 at 10 a.m. by Judge Joel H. Sharp at a hearing Wednesday in Common Pleas Court.

The hearing was continued after the parole officer failed to appear. Because the officer didn't show up, Judge Sharp said "there was no competant evidance" to support the parole violation charge, adding that the defendant may be released from jail on a $500 cash bond until Sept. 23 if he gets a job.

Judge Sharp also said Sole "is not to be put in jail for any violation of his probation occuring prior to Wednesday."

Sole was found guilty of purposely taking, driving and operating a motor vehicle without the owner's concent on Feb. 14, but the jury found him innocent of stealing a motor vehicle. He was placed on probation.

Chrysler, UAW Settle Contract

Firm OKs Guaranteed Wage, Pay Increase

DETROIT (AP) —Chrysler Corp. and the CIO United Auto Workers reached a contract settlement today, six hours after wide spread strikes hit Chrysler plants in six states.

The UAW immediately sent out back-to-work orders to all union locals. There were indications, however, that work disruptions among Chrysler's' 139,000 employes would mar production throughout the day.

The settlement was modeled closely after Ford and General Motors agreements reached in June. It completed the lineup of the auto industry's "Big Three" companies on revolutionary, new layoff pay plans.

60-65% Guarantee

Like the Ford and GM plans, the Chrysler agreement will guarantee laid off workers 60 to 65 per cent of regular take-home pay for up to 26 weeks of idleness.

It also provides wage increases of 6 cents an hour to all employes for each of the three years of the contract, and up to 38 cents immediately for some workers in skilled classifications.

Also included in the new agreement were clauses to:

1. Boost pension benefits up to a maximum of about $250 a month, including social security.

No Wage Differential

2. Eliminate wage differentials between the Detroit area, biggest concentration of Chrysler workers, and other parts of the country. Chrysler said it thus became the first big auto company to do this. Chrysler has plants in Michigan,

Miss Plum Takes Over County Post

Miss Maxine Plum of Salem, formerly of Tunnelton, W. Va., who has been working as an associate agent in training in the Columbiana County Extension office since July 5, takes over today as county home demonstration agent, succeeding Miss Jean Stitle of Salem RD 4.

Miss Plum, a 1953 graduate of West Virginia University with a degree in home economics, formerly taught home economics at Bel Air (Md.) High School and South Euclid - Lynnhurst High School in Cleveland.

Miss Stitle, whose resignation was effective yesterday, worked part-time in the extension office for four months in 1954 before becoming home demonstration agent in June, 1954. She will be married Sunday to Carl Ruff of Lancaster. Her husband-to-be is associate county extension agent in Union County. They will make their home in Marysville.

Always interested in farm work, Miss Stitle was a 4-H Club member for 10 years. She made a five-month visit to Norway in 1953 under auspices of the International Farm Youth Exchange.

Girls Hurry To Wed Americans

Some Russians Kill Selves As Armies Evacuate Austria

VIENNA (AP)—Some Russian soldiers are reported killing themselves or deserting . . . Long military trains are pulling out through the night to east and west . . . Austrian girls are hurrying to wed their departing American boy friends.

The evacuation of Austria by the armies of the Big Four is in full swing.

In the five weeks since Austria finally won her independence July 27, the occupation powers are estimated to have pulled out more than half of their 60,000 soldiers.

The French will all be gone by Sept. 10, the British by Sept. 19. Russian operational forces will be out by Oct. 1 and the Americans about the same time.

Austrian police report several Soviet soldiers are believed to have committed suicide. Unconfirmed reports say about 10 deserted to the Western armies. Other unconfirmed reports speak of deserters caught and shot before assembled Soviet troops.

One of the busiest little resorts in the country today is Baden, a few miles from the capital in the Vienna Woods. For 10 years it has been the Russian headquarters, with Soviet offices in elegant hotels, billets in fashionable villas and the officers' mess in a gambling casino.

Now much in the town has been returned to the Austrians. Property values are soaring.

Village Council Plans Additional Storm Sewer

COLUMBANA — Village Council at a special meeting Tuesday evening took steps toward providing a storm water sewer to take care of the whole north end of town.

Engineers George Gonzales and Seth Phillips of Lisbon had gone over the ground and were present to give council the benefit of their observations. Engineer Phillips will make a survey over the weekend and prepare plans, specifications and estimates for a bid advertisement.

Laying out and improvement of new streets in the north part of town have speeded up the flow of storm water during heavy rains so that flood conditions have become a problem.

The proposed sewer will be of large capacity, probably not less than 36-inch tile and about 1,200 feet long. It will extend west from Firestone Ave. along the south side of Seventh St., under Routes 164 and 46 just north of the junction to the west side of Route 46, and a short distance on the Thomas D. Watt property to the small water course leading into Mill Creek. It may be possible to have the work done this fall.

During the discussion, it was brought out that the state will need 68,000 cubic yards of earth for the fill to carry the Route 14 by-pass extension over Mill creek and the bottom land through which it flows. It may afford a landowner in the vicinity an opportunity to create a lake. It was also suggested that the village dump at the northwestern edge of town might be excavated and enlarged.

HELD FOR STABBING

CAMBRIDGE, Ohio (AP) — A 33-year-old Cambridge man was in jail today while police investigated what they said was a stabbing of his wife and attempted suicide. They said Donald Watkins yesterday slashed his wife with a 10-inch dagger, then cut his own wrists. Mrs. Mabel Watkins was reported in fair condition at a hospital here with cuts of the left side, shoulder and eyelid. Watkins' wounds were superficial. He was released from jail Tuesday after serving a sentence of about two weeks for assault and battery on his wife, police said. They added that Mrs. Watkins had sued her husband for divorce.

A New Worry

By HAL BOYLE

NEW YORK (AP) — Now is the time to get yourself a fresh new worry.

Worry is a sign of civilization, and anyone without a worry has a guilty feeling that he has turned into a barbarian.

To be in style you have to be a phobophile—that is, a worry wart, a guy who likes to find things to be afraid of. But this isn't as easy as it used to be.

It has been getting harder and harder to find anything to worry about in America ever since Franklin D. Roosevelt declared in 1933 that all we had to fear was fear itself.

The real art of worrying in this country has been going downhill ever since. For worries do wear out. Everyone, for example, is plumb tired of fretting about the atom bomb. Now that the Russians are acting like graduates of a charm school—Dale Carnegie must be required reading in the Kremlin today—the proper attitude toward them seems to be one of dubious suspicion rather than of downright worry.

"Times are too good," says the average man, unhappily, "there just isn't anything more left to worry about."

This is a ridiculous attitude. A man with any ingenuity can always find something worth fretting about. The real test of a worrier is his ability to seek the dark lining in any silver cloud.

The chances are you have a bunch of worries you don't even realize. Look within yourself and find them. Bring these hidden troubles out. Learn their scientific names. Then you can worry about them openly and happily.

Every human being today is a walking patchwork of hidden phobias.

Housewives, for example, are beginning to get that fall housecleaning look in their eyes. They don't realize it, but they are suffering from mysophobia, or the fear of dirt, as well as ataxiophobia, the fear of disorder.

Do you hate to make up your mind? Poor fellow, you're a victim of gephyrophobia, the fear of crossing bridges.

Are you a pedestrian: Well, if you are sensible at all, you are often in the throes of agyiophobia, the fear of crossing a street. And if you are a really careful pedestrian you suffer both forms of this common disease — levophobia, or fear of objects on the left side of the body, and dextrophobia, or fear of objects on the right side of the body.

Does your job bore you: Let's face it, kid. You've got taphephobia, the fear of being buried alive. Doesn't that make you feel more important—to know the real name of your disease?

Do you hate to get up in the morning and face another day? Don't just laugh at this feeling. You're sick, sick, sick. You are afflicted with basophobia, stasiphobia, and stasibasiphobia—all of which mean you're afraid to stand upright.

Are you weary of television commercials? You've come down with onomatophobia, the fear of hearing certain names.

Are you angry at your husband because he comes home late? He may have either domatophobia, fear of being in a house, or (depending on your temper) amycophobia, the fear of being clawed. Maybe it would help if you shut up and contracted phonophobia—the fear of hearing one's own voice.

Nothing to worry about? Why the world is full of wonderful fears—from hadeophobia, the fear of hell, to apiphobia, the fear of being stung by a strange bee.

Anybody who isn't doing his fair share of worrying simply is loafing on the job and has lost the desire to be civilized.

If you can't worry about anything else, you can at least succumb to barophobia, the fear of gravity (you can always fall back on gravity) or cherophobia.

Cherophobia is the fear of being happy, and who isn't afraid of happiness?

YOUNG FUGITIVE NABBED

LONDON, Ohio (AP) — A 19-year-old Columbus youth who escaped from Mansfield Reformatory where he wa sserving 10-25 year for armed robbery was captured by London police at the Madison County Fairgrounds last night. Police said they arrested Jerry Ragan as he sat in a car they reported was stolen from Ashland. Reagan was working in a construction gang on Ohio 13, three miles north of Mansfield, when he escaped Tuesday, authorities said.

Two To Attend Club Convention

Kiwanians To Meet In Dayton Oct. 9-12

LEETONIA — Carl Vignon, president, and Clark S. Marshall, secretary, will represent the Leetonia - Washingtonville Kiwanis Club at the district convention in Dayton Oct. 9-12. Kiwanians, their wives and families are eligible to attend the conventions, officials announce.

D. D. Calvin, Erie Railroad agent, has been assigned for Tuesday's program of the local club which will convene at 6:10 p.m. in the Washingtonville Lutheran Church.

Mrs. Raymond Baker, a representative of D. Wallace Rebekah Lodge, attended a District Executive Committee meeting at the home of Mrs. Charles Hall of East Palestine. Mrs. Hall, who is president of District 28 this year, entertained the committee with a luncheon.

The committee made plans for the School of Instructions which will be held in East Palestine on Thursday, October 13, for afternoon and evening sessions.

Mrs. William Bergin and daughter Mrs. Lynn Trege of Philadelphia spent last week with Mr. and Mrs. John Sposetta of Walnut St.

Mr. and Mrs. Raymond Baker attended the Baker family reunion Sunday at the home of Mr. and Mrs. Frank Baker at Canfield.

Nineteen members of the local Civil Defense Group attended the Ohio State Fair at Columbus Sunday and took part in the parade in the evening. The local members joined other civil defense groups at Carrollton and traveled by caravan from there.

Pfc. Richard Frederick graduated last month from Micro-wave radio equipment repair school at Ft. Monmouth, N.J. He spent a 10-day furlough with his parents, Mr. and Mrs. Richard Frederick, before reporting to Ft. Huachuca, Arizona.

The annual Sunday School picnic of the Leetonia Mennonite Church is to feature a homecoming program this year. The picnic is to be held in pavilion No. 4 at Firestone Park in Columbiana on Labor Day.

A pot luck dinner is planned for noon with a program and other activities to follow. A special invitation to the picnic is extended to all those who have ever attended Sunday School at the Leetonia Mennonite Church.

Mr. Charles Herr and sister, Miss Mildred Herr, attended the funeral of their cousin, Mrs. Mildred Erickson, at Bloomington, Ill., on Monday.

Miss Hazel Ginther spent Tuesday in Pittsburgh.

SHE'S FROM TENNESSEE — Patty Williams, who will represent Tennessee in the Miss America contest at Atlantic City, N.J. comes to Washington—and was quite willin' to pose, 'coonskin cap 'n all.

Cost Of Fringe Benefits Heavy

CHICAGO (AP) — Furniture manufacturers report they are paying up to nearly 50 per cent as much for employe fringe benefits as they do for direct labor costs each year.

A fringe benefit survey report compiled by Lloyd R. Norris, industrial relations director of the National Assn. of Furniture Manufacturers, indicates that paid rest periods are costing some manufacturers as much as paid vacations.

This firs survey of fringe benefit costs covering factory employes in the industry was released at the NAFM convention today.

Proportionally, the survey found, furniture manufacturers are paying as much as from 4.1 per cent to 48.3 per cent for fringe benefit payments as they are for direct labor costs. These hidden fringes are computed over the direct labor costs in the survey, and not as part of them. The survey indicates hat manufacturers must take a profit cut by taking an addiional 1.1 per cent to 8.4 per cent or direct sale income for these pay ments.

The annual average fringe benefit cost per employe if $494, ranging from $100 to $948 per employe, the report said.

The report includes a method by which manufacturers could compute fringe benefit costs for accurate measurement of worker in come and labor costs of doing business.

Report Shows Salk Vaccine's Value

COLUMBUS, Ohio (AP) — A rough calculation shows that 60 Ohio children of every 100,000 inoculated with Salk vaccine came down with polio as against 19 of each 100,000 who were not vaccinated, the state health department says.

"This certainly looks suggestive," said Dr. Frederick H. Wentworth, chief of the division of communicable diseases, "but we feel it's too premature to make any conclusion on the value of the vaccine."

The figures were based on cases reported up to yesterday. But the polio season in Ohio won't reach its peak until mid-September or possibly later, Wentworth said. It may be late November before the department can say definitely how the vaccine program is working out, he added.

Continued Rise In Prices Seen For U.S. Economy For 10 Years

NEW YORK (AP)—Plain and fancy sooth saying as the course of business — and especially of prices —pops up today.

Industry and trade are rounding the stretch of a rip-snorting year. The calendar says summer has three weeks to run. But most business men think of fall starting with Labor Day.

The modest predictions today concern the prospects of another go-round of inflation in the months ahead — and most (but far from all) seem to think price hikes likely.

The fancier ones try to project the economy over the coming 10 years — and here, too, rising prices are often forecast, but again with notable dissenters.

Higher costs of industrial materials have captured the headlines this summer. Weakening prices of farm products — and lower farm incomes — are political and economic worry spots.

But looking beyond these month-by-month fluctuations, and the fact that commodity prices usually rise at this turn of the season, some think they discern a long term trend toward more inflation. They foresee a gradual rise in prices of the things the manufacturer buys and of goods that make up the consumer's cost of living.

Three fourths of the 449 industrial purchasing agents polled by the trade magazine Purchasing see a generally inflationary trend under way in industry. And more than half expect their own company's products to be prices higher six months from now. About half blame higher labor costs and the others higher material costs.

Long-term guesses on whither the economy is going have been popping up frequently of late. One out today by the Research Institute of America, Inc. projects the economy 10 years ahead.

The institute predicts "prices will rise at least 10 to 15 per cent in the next 10 years." And it adds the gloomy opinion: "prices of food, clothing, housing in particular will rise—and they take up the largest part of the consumer's pay."

Political trends, as much as economic ones, are blamed by the institute. It doubts if pay-as-yougo goverment financing is yet in sight. Deficit financing is considered inflationary, although the degree varies with circumstances.

And the institute believes that the government, whenever unemployment starts to rise, will resport to pump priming of inflationary nature.

The institute further believes that "neither political party will, over the long run, have sufficient courage to clamp down hard on a boom that may threaten to get out of hand."

Finally, it foresees the unions obtaining higher wages over the next 10 years, with productivity not rising fast enough to keep prices from being pushed higher.

Many economists don't share these views. They cite a number of factors tending to hold prices over the long run. For one, keen competition will force factories to absorb increased costs. For another, better tools and more efficient plants will produce more goods per man-hour of labor and thus help to hold down costs.

Los Angeles Smog Siege Termed Crisis

LOS ANGELES (AP) — This season's worst smog siege was termed a crisis today by the county air pollution control director and Gov. Goodwin J. Knight said he is prepared to declare a state of disaster if necessary.

Director Smith Griswold said the smelly clouds of eye-burning smog would continue for "at least the next few days" and he called on industry to institute voluntary smog control measures.

Griswold said industry had failed to cooperate.

The Citizens Anti-Smog Committee of Pasadena asked Gov. Knight to hold a hearing. He replied that the Los Angeles County Board of Supervisors has an emergency program to protect citizens.

"In the event of a far more critical smog condition than now exists," the governor said, "under the emergency action program upon request of the board of supervisors I have the power to declare a state of disaster... and I would do so."

Griswold disclosed that federal and state health officers will launch an intensive investigation starting Thursday into he naure and extent of pollutats from oil refineries and power plants.

He was critical of the county board of supervisors for allowing a two-year delay of a ban on backyard incinerators. The supervisors voted Tuesday to postpone the effective date, which had been set fr Oct. 1.

Summer Ends Officially 2:42 P.M., Sept. 23

CINCINNATI (AP) — Everyone knows that summer is just about finished but Dr. Everett I. Yowell of the University of Cincinnati said today it will end officially at 2:42 p.m., on Sept. 23.

Dr. Yowell, professor emertus of astronomy at UC, gives a regular monthly report on astronomical highlights.

After that Sept. 23 date there will be six months in which the nights are longer than the days. Today, for instance, the sun rose at 6:06 a.m. and set at 7:09 p.m. On Sept. 30 the sunrise will be at 6:33 a.m. and the sunset at 6:23 p.m.

And for those who like to sit and look at a new moon, the night will be Sept. 16. The moon will be full tomorrow night.

A Historical Museum

Although the Salem Historical Society's existence dates back only seven years, the need already is being felt for a museum where the society can put on public display the relics and historical lore which it is fast accumulating.

The Historical Society, which plays a vital role in Salem's Sesquicentennial observance next year, has as its main objective the preservation of local historical lore. A home or building where the group could maintain a permanent exhibition is the goal of the officers and members of the organization.

The society hopes that a benefit it is holding Sept. 8 and 9 at the Memorial Building will be the start of a fund to acquire a museum someday. This was the dream of Roy Harris when he founded the historical society seven years ago. It is the hope today of the 200 persons who have joined the group.

Such a museum would be a credit to the community. We hope it becomes a reality.

Agriculture By Edict

One of the most enlightening bits of information brought back from Russia by the United States agricultural experts who visited there recently was their reminder that Soviet farmers try to produce crops and livestock under the handicap of government directives.

This goes a long way toward explaining the frequent reports of crop failure and other farm difficulties in the Soviet Union.

A kernel of corn or a herd of cattle never heard of Moscow, much less a directive. No farmer, Russian or otherwise, can make anything grow by simply ordering it to do so.

American agriculture cannot be considered completely free, what with parity controls and government surplus buying, but it does not operate under the disadvantages of dictatorship by directive.

In the United States, individual, independent farmers study market conditions, crop rotation and similar factors before planning a season's production.

The result provides an even output of food on which the most advanced nation in the world feeds itself, with surpluses for other less fortunate people.

Irish Trouble Again

It takes a little adjusting to get used to the idea of Irish trouble again. But there is no doubt about the existence of the trouble—not when 50,000 British police and security agents are combing the British Isles to keep the Irish Republican Army from getting guns stolen from the English on Aug. 13.

The IRA, it will be recalled, wants to reunite Northern and Southern Ireland, the same as Eyngman Rhea's firebrands want to reunite North and South Korea.

IRA is an illegal organization. But since everything about Irish independence has been illegal at one time or another, this is not an insuperable handicap. IRA red-hots can always bear in mind that their forebears stood up for Irish independence after the Easter rebellion of 1916, when a man's life might be the price of his convictions about Irish politics.

Trouble has been refined by Irish revolutionaries to a poltical science in the past, and revolutionaries are as typical of Ireland as shamrocks. It will be hard to remember they are not Communists in this case, nor bandits, not savages, but nationalists with a passion for waking up sleeping dogs and stirring up trouble. And they are not making it in Asia, or Africa but in Ireland, where trouble-making also is an advanced art.

Protect U.S. Tennis Players!

Thanks to television, millions of us who never saw tennis played on a lawn now know why there is a market for tennis exhibitions. But at the same time we are unhappy about the foreign competition.

Australian players showed up so well in the Davis Cup finals—most important international match — that it looks as if none of the U. S. players would have a chance to turn professional. All Davis Cup players are, of course, amateurs, in the sense that they receive no cash for playing, although they receive everything else they need.

This is on the borderline of unfair competition for a home industry. In Australia, tennis is the national game—like football and basketball in the United States. Everybody either plans tennis or watches it. Tennis players are heroes.

Therefore, if Australian tennis players are going to dominate the U. S. market, domestic industry should be protected, the same as bicycle manufacturers or anyone else. The Australians should be required to play with smaller rackets and a patch over one eye, especially that young fellow Lewis Hoad.

Security Fundamental

By DAVID LAWRENCE

National Safety Takes Precedent Over Individual

Which is more important — the safety of the United States or the continued assurance of a government job to some individual about whom there is a reasonable doubt as to whether a foreign enemy could subject him to pressure and use him to its advantage?

Lawrence

This is the fundamental issue which is overlooked in many investigations and studies being started now to shift the burden of proof and to make it more and more difficult for the detective agencies of the government to fight against clandestine enemies. It isn't the voluntary but the involuntary yielding under pressure which brings trouble to persons themselves innocent yet with ties to relatives behind the iron curtain or with relationships to persons in this country duped by Communist intrigues. Why should the Ameri can government take chances on persons with doubtful connections?

The Senate Civil Service subcommittee has decided to give a lot of time to take testimony from those who, while wholly sincere in their belief that a government employe must be protected at all costs, seem to be unmindful of the main purpose of a security program and the enemy's techniques. Today there is a tendency in some quarters to belittle as "farcically remote" or trivial the questions that have to be asked in a security hearing.

-:-

THERE IS MUCH talk also of separating "sensitive" and "non-sensitive" positions, as if, once inside a government building, an employe's movements or associations can be regulated with respect to contacts with persons in "sensitive" and "non - sensitive" positions.

Few of the critics probably have read the text of the regulations, for instance, of the secretary of ddefense. One regulation, which covers all security cases in the armed services, reads as follows:

"An officer or warrant officer of the armed services holds a sensitive position by virtue of his commission or warrant regardless of the duties and responsibilities of the assignment. Likewise, an enlisted member whose qualifications would normally require that he have access to classified information or material will be considered to hold a sensitive position regard less of the duties and responsibilities of his asignment."

One of the many criteria applied in hearing security cases in the armed services requires information about "membership in, affiliation or sympathetic association with any. . .association, movement, group or combination of persons which is totalitarian, fascist, Com munist or subversive."

THIS IS NOT ALL. Another criterion is whether there is a "sympathetic association" or a "close continuing association with a person who has engaged in activities or associations" of the type referred to in the regulations. In addition, hearing boards must ask questions to obtain the following:

"Any facts ... which furnish reason to believe that the individual may be subjected to coercion, influence, or pressure which may cause him to act contrary to the best interests of national security. Among matters which should be considered in his category would be the presence of a spouse, parent, brother, sister, or offspring in a nation, a satellite thereof, or an occupied area thereof, whose interests are inimical to the interests of the United States."

A hullabaloo was raised recently when the executive departments considered instances of government employes with relatives behind the iron curtain or cases where a mother or father had been in the Communist movement.

These cases always awaken public interest and lots of sympathy, but all the background is rarely explained. It usually is inferred that testimony about the loyalty and integrity of the employe is all that's needed to clear an employe.

-:-

THE REAL QUESTION is whether the United States must take the risk of maintaining in its employ persons who could be subjected to pressure or blackmail.

That's why the President's executive order of April 27, 1953 puts into precise form the experience of the previous administration with security risks by requiring that information be obtained from government employes or applicants which relates to "any criminal, in famous, dishonest, immoral, or rotoriously disgraceful conduct, habitual use of intoxicants to excess, drug addiction or sexual perversion."

This shows the necessarily large range that the questions must cover and, since the FBI canvasses friends and neighbors, all the unverified gossip as well as the incontrovertible facts have to be appraised.

As the secretary of defense puts it in his regulation, "the ultimate determination of whether acceptance or retention in the armed services is clearly consistant with the interests of national security must be an over-all common sense dctermination based on all available information."

Theoretically, as in criminal cases, the individual should be given the benefit of the doubt but, since employment in government is a privilege and not a right, it is the superior right of the government to say, in effect, in a given case that an employe may seem loyal and be devoid of any intention to do anything improper but as long as he has ties which can subject him to pressure or habits that could be taken advantage of by the enemy, there is every reason why the government should protect itself by taking no chances.

-:-

THE GREATEST DANGER the American government faces today on the whole security problem comes from those who either are naive and unfamiliar with the operations of the enemy in our midst or who are still obsessed with the idea that a security case in a government department and a criminal case in a court of law are the same thing and must be procedurally handled exactly the same way.

The eleven Communists convicted in Judge Medina's court after a lengthy trial gave a dramatic example of what security - case suspects and their lawyers could do to harass and frustrate governmental operations if the same rules were applied inside the executive agencies.

There has never been any decision of the Supreme Court of the United States which says the rights of an indvdual suprised those of the government itself in the field of security and national defense. The Bill of Rights protects the government, too.

"KID STUFF" DRIVERS

Should Have Their Heads Examined, Too!

Sure these drivers will check their oil and water. But if they could only see themselves in traffic—breaking rules, ignoring every courtesy like youngsters on a spree—they'd agree, it's their heads that could really use the checkup. It's time they learned the truth. People respect good drivers—but detest "second childhood" highway showoffs who take chances with other people's lives.

SIDE GLANCES By Galbraith

"You've got a city job, Mr. Jackson. How do I go about getting into politics? I want to run for mayor!"

'In God We Trust'

By GEORGE SOKOLSKY

President Eisenhower approved an act passed by Congress authorizing the inscription "In God We Trust" on American currency. The law now provides that when new coins are minted or currency printed — all of it —this inscription shall appear. It is now compulsory by public law 140.

Sokolsky

It is not usual that the currency of a country should include a religious affirmation, no matter how fitting, and I wondered where it came from. So far as it can be traced, the motto dates back to the early days of the Civil War when our people truly needed the guidance of and a trust in God.

It appears that Abraham Lincoln's secretary of the treasury, Salmon P. Chase, received a letter from the Rev. M. R. Watikinson of Ridleyville, Penn., dated Nov. 13, 1861, urging that some reference to God appear on coins.

-:-

IT MUST HAVE been a startling thought, but Abraham Lincoln was a profoundly religious man to whom such an idea would not be offensive. At any rate, at that time secularism had not yet so corrupted American thinking that the confusion between separation of church and state and separation of man from God had affected our thinking. That is the problem of our age when secularism has become so triumphant.

So on Nov. 20, just one week later, Secretary Chase requested the director of the mint in Philadelphia, James Pollock, to prepare a device which would include the name of God on our coins.

-:-

IT TOOK THREE YEARS for authorization to go through Congress. In 1864, Congress passed an act permitting the issuance of two-cent bronze coins, upon which appeared the motto, "In God We Trust." The following year, Congress agreed to allow other coins to bear this slogan of faith. The acts were permissive, not compulsory.

Why the motto was dropped anywhere is hard to understand. It had become the granite of American thought. Undoubtdely, it was taken from "The Star-Spangled Banner" in which appear the lines:

"And this be our motto:
In god is our trust."

It was so normal to American thinking that we took it for granted and presumably most of us had overlooked it. At any rate, it was only in recent years that patriotic societies began to campaign for its restoration on our coins and currency which has now been accomplished.

Many do not believe in the externals of ritualism. They say that they have the fullness of faith in God and in our country in their hears; they do not need to be reminded by signs and symbolism and the trappings of pomp.

-:-

RECENTLY WHEN I was discussing the absence of the flag in a public place, a very intelligent man said in opposition to my insistence upon the value of the symbolism of the flag:

"And the next step after you put the flag there, someone will demand that we pledge allegience 'under God'—and then we shall have to take a loyalty oath! I don't need such symbolism. I can get along without it."

Maybe he does not need the flag and the pledge of allegience and the singing of a national anthem, but most of us do need little memory-boosters, little stimulants, just enough to make us wonder.

-:-

THAT MOTTO, "In God We Trust," on every coin, on every printed dollar bill, will help us over the hump of taking things for granted. It is interesting that in other countries, every theatrical performance, every concert, every public gathering either begins or ends with the singing of the national anthem. But in the United States, this seems to be offensive. Perhaps it requires too much effort.

Undoubtedly, most religions have symbols, such as the Cross, the Star of David, the Crescent—and in Soviet Russia, the Hammer and Sickle. The Ying and Yang of the Buddhists looks to us like a beautiful ornamental design, but it is really the symbolism for the creative power in the Cosmos.

Similarly, the general use of beads as Orayer reminders in Buddhistic and Catholic countries are reminders of faith, not counters of prayers. It all helps us to remember that man too easily forgets. And that too often what we take for granted are the essentials of life, the fullness of our relationships to God, to country, to family.

Too Early To Cheer

By RAYMOND MOLEY

No commentator has a right to analyze the exact reasons for the actions of the financial community, but it is a fair assumption that rising prices of stocks are due much more to the prospects of continued spending by the federal government than to the asserted efforts of the Treasury to balance the budget.

The remarks of Secretary Humphrey merely indicate that because of the boom there will be larger revenues. Certainly, neither the administration nor Congress in the past session manifested any strong desire to balance the budget by economies.

Once more, Sen. Byrd is right when he points out the obvious fact that a balanced budget should be attained by retrenchment in spending. But with two political parties scrambling for votes, Byrd's advice will, as usual, be rejected.

After Humphrey made his prediction of larger revenues, two senators, one Democratic and the other Republican, rushed into spring with predictions of tax reductions. There may indeed be tax reductions in a year with a presidential election, whether the budget is balanced or not, and the effect would be still more inflation and more headaches in years to come.

The Tax Foundation, which has no political axes to grind, presents some cold figures which should be pondered by every taxpayer. It points out that a mere recital of the appropriations made by Congress in its session this year not only fails to tell the whole story, but is a frightfully deceptive way to take the financial pulse of the nation.

But even when we consider appropriations, the session of 1955 was $4,257,000,000 more extravagant than the session of 1954. Congress raised its appropriations for fiscal 1956 by that amount over its appropriations for fiscal 1955.

Quite properly, the Treasury and the Budget Bureau, in telling us what our government is costing us, speak not only of appropriations but of "new obligational authority," which includes not only current appropriations but also permanent appropriations that run automatically from year to year and new contract and loan authorizations.

The total obligational authority for 1956 is $60,300,000,000, which is $1,413,000,000 less than was asked by President Eisenhower. But this is by no means the whole story.

"Consideration of all aspects of the budget situation," says the Tax Foundation, "leads to the disturbing conclusion that supplemental appropriations in the next sessions and rising costs of farm support, which are outside the area of appropriations, may more than wipe out any savings thus far effected in terms of expenditures in fiscal 1956.

Congress failed to make provision for the increase in salaries of postal and classified federal employes which were assured by laws enacted during the session. Later supplementary appropriations for salaries and statutory commitments may amount to 50 million dollars more. . .

Moreover, any of the claimed reductions in appropriations will not be reflected in an equal curtailment of expenditure in 1956. Reductions of 296 million dollars, in Defense appropriations represents merely a bookkeeping matter involving the use of foreign currencies. About 350 million dollars of reductions in appropriations for the Atomic Energy Commission were nullified (also by bookkeeping transfers). A reduction in the Mutual Security Program of 563 million is made largely meaningless in terms of fiscal 1956 by the availability of a newly-found prior balance of 302 million by a 100 million cut in the President's Asiatic economic development fund not intended to be used during the first year."

In a number of other respects, the outlook represented in the Treasury's statement should be modified. It is therefore too early to cheer.

Inflation Again

If any folks are awaiting a drop in prices before taking another buying plunge, they'd better not hold their breaths. A fresh dose of inflation would appear to be the more likely prospect.

For the second month in a row, the government's Consumer Price Index has edged upward, and stands now at its highest point in 1955.

The rise, said the government, stemmed from higher prices for fresh fruits and hikes in charges for personal services, like barber work.

The index later may feel the effects of new boosts in industrial wages in such basic fields as steel and coal. And, of course, the climb in the index itself brings wage hikes for union workers whose pay is tied by contract to the index level.

This would not seem the moment to sew the stuff up in a mattress and wait.

Once Over

By H. I. PHILLIPS

Great Horn-Tooters

With cities all over America stuffing their municipal ears and wishing for a solution to the automobile horn-tooting problem, a New York special committe has come up with a decision that it can best be curbed by an "educational program."

Never has education been shoved up against such a task. Fancy trying to educate the American motorist in the matter of keeping quiet when he is being delayed thirty seconds, crowded a half inch on a four-lane highway or not being treated as a VIP when in motion!

-:-

THE AVERAGE AUTOIST is a tooter by instinct, impulse, preference and habit. He toots at old ladies, dogs, birds, turtles, shadows, breeze-blown papers, falling leaves, kids and spots before his eyes.

He believes a seat behind the wheel automatically labels him "Perishable, Do Not Delay," entitles him to preferential treatment at all times, and confers upon him the importance of Hurricane Carol, Hook & Ladder Company No. 8, all ambulance services and the police department escort for a visiting celebrity. He toots when he starts out, toots under way and toots to indicate he has arrived home with his tocter still working.

He is beyond education and co-operation. Anybody announcing that he will be educated in restraint, courtesy and common sense is just adding to the noise.

-:-

MOST DRIVERS are "horn morons." They believe the horn is mightier than the sword, the pen and the Book of Etiquette. They toot not only at today's situations but at sudden memories of yesterday's interferences. They will endure any and all defects in the auto as long as the horn is in good shape. (There are autoists who even turn in the old horn each year out of a fear it might be losing power.)

As a matter of fact the auto industry owes its growth to the horn. The auto would never have become popular had the horn been left out. Hank Ford got nowhere with his early car until he put a big, bulbous, hand pressure horn on it. Other early auto builders sold few models until they began equipping cars with even noisier devices. Suddenly a public that had been indifferent to the auto began crying, "This is it" and developed an obsession for making unnecessary disturbances. Never before had people in the mass been afforded an opportunity to act like children, show defiance for fellow creatures and make other people jump.

This privilege had been limited to the rich. They had tallyhos with bugles. Suddenly the invention of a motor car made it possible for people in the low brackets to creat a disturbance.

In a few years the auto became intensely popular. People said they wanted an auto just to get out into the great open spaces. Nonsense! The real attraction was horn-tooting. (Did you ever hear of a man enjoying an auto trip WITHOUT A HORN?)

Pa Knickerbocker's idea of educating the autoing public to pipe down and toot only when it is necessary will get nowhere. The educators all have horns and will be tooting worse than the pupils.

Paxson-Minamyer Nuptials Held In Cornersburg Church

A host of friends and relatives were present at the wedding of Miss Kay V. Paxson and James William Minamyer Saturday afternoon at 2 in St. Christine's Church in Cornersburg.

Rev. Fr. Edward Varble, former priest in St. Paul Parish, officiated in the double ring service uniting the daughter of Mrs. Agnes Paxson of W. State St. and Rolland Paxson of N. Lundy Ave., and the son of Mr. and Mrs. James Minamyer of E. 6th St.

Mrs. Albert Carney, organist, played the musical background for the service. Arrangements of gladioli, roses and carnations added beauty to the altar setting where the ceremony was performed.

Complemening the bride's waltz dress of white embossed nylon was a silver heart bracelet, the gift of the bridegroom, and a cascade bouquet combining a white orchid, white feathered carnations and adiatium. Her dress was in the princess mode with a scoop neckline. A cap hat of silver sequins and pearls was worn with white accessories.

Mrs. Ray Bartholow was her sister's matron of honor in a dress of blue nylon tissue. Her flowers were yellow roses and yellow feathered carnations in contrast with a white cap hat. Miss Mary Jane Parana was bridesmaid in beige nylon, with white hat and pink rose and feathered carnations.

Joseph Hajcak was best man. Fred Minamyer, brother of the bridegroom, was usher.

For her daughter's wedding, Mrs. Paxson chose a navy print with white accessories and a corsage of red roses and carnations. Mrs. Minamyer, in a charcoal-colored dress, had yellow roses and carnations in her corsage.

From the church, some 200 guests traveled to the home of the bride's grandparents, Mr. and Mrs. George Thomson of the Stewart Rd., for the reception in the garden. People from Pittsburgh, Cleveland, Alliance, Sebring, Salem and Youngstown congratulated the couple.

An aunt of the bride, Mrs. Frank Rowe of Sebring, and a cousin, Mrs. Richard Reed of Salem, cut the cake and an aunt of the bridegroom, Mrs. William Richards of Salem, poured.

Registering the guests were a cousin, Miss Marsha Sue Thomson, and the bridegroom's sister, Miss Jane Minamyer.

The refreshment table, beautifully covered with a cloth of satin damask belonging to the bridegroom's grandmother, Mrs. F. C. Minamyer, held a four tiered wedding cake, topped with a bridal figurine in miniature, with pink feathered carnations and adiatium at its base. Tall tapers in crystal candelabra and white and pink baby mums completed the appointments.

For their honeymoon trip to Toronto, Niagara Falls and Canada, the bride wore a white shantung outfit with the orchid from her bridal bouquet.

Mrs. Minamyer was graduated from Salem High School, as was her husband. She is a comptometer operator at Mullins Manufacturing Corp. Mr. Minamyer is attending Fenn College in Cleveland. They will reside temporarily with the bride's mother, Mrs. Agnes Paxson at 240 W. State St.

Greenford Couple Married 25 Years

Mr. and Mrs. Ensign Shirey of Greenford celebrated their 25th wedding anniversary Tuesday. In observance of the occasion, their children held a family dinner Sunday and presented the couple with a television set.

Mrs. Glenn Steer Honored At Shower

Mrs. Glenn Steer was honored Wednesday evening at a post-nuptial miscellaneous shower at the home of Mrs. Robert Moore Jr. in Damascus.

Forty relatives, friends and neighbors were in attendance from Salem, Leetonia, Sebring, Garfield and Damascus. Games were arranged by Mrs. Frank Mitchell, with prizes going to Miss Arla Jean McBride, Mrs. Donald Phillips, Mrs. Elizabeth Stacy, Mrs. Ellis Steer and Mrs. Allen Stanley.

Gifts were arranged beneath a "shower tree" which was painted pink, with flowers and pine adding to the effect. Prizes were hung on the branches.

The refreshment table was centered with a decorated three-tierded cake baked by the honoree's aunt, Mrs. Ted Steer. Flower arrangements and candles in a pink and green theme completed the setting.

The hostess was assisted in serving by Mrs. Ted Steer, Mrs. Frank Mitchell, Mrs. Curtis Mosher and Mr. Robert Moore Sr. Mrs. Paul Buttermore Jr. cut the cake. The recent bride's grandmother, Mrs. Robert Champion of RD, Salem, was a guest. Pictures of the group were taken.

Mrs. Steer will remain here with her husband's parents, Mr. and Mrs. Ellis Steer. Her husband, A. 3.C. Glenn Steer will leave for Seattle, Wash, Sept. 13, whence he will be sent to Alaska.

Attendants Named For Lyons-Brandt Wedding

Miss Mignon (Mickey) Lyons and Galen Gene Brandt have chosen the attendants for their wedding which will take place Sunday, Sept. 4, in the Winona Methodist Church.

Maid of honor will be Miss Glenda Lyons, sister of the bride, and Miss Jacqueline Lyons, another sister, will be bridesmaid. Diane Rhodes will be flower girl.

Lowell Brandt will serve his brother as best man, and another brother, Robert Brandt, and Richard Dunn will be ushers. All are from Winona.

Mrs. Donald Dusenberry will preside at the organ and Miss Donna Rhodes will sing. The music will start at 3 p.m. and the ceremony at 3:30. Friends and relatives are invited to the reception in the church.

A carnival theme, featuring concessions, contests and prize awards, was used when fellow Salem News employes and their guests surprised Miss Elinor Currier Tuesday evening at Centennial Park. Two pieces of navy and white luggage were presented the honoree, along with two other gifts.

Miss Currier, who has headed the News' social department since 1952, concludes nine years in the News editorial department. She will leave Saturday and start school Tuesday in the Central School of Practical Nursing in Cleveland, residing at Nurses Residence of University Hospitals, Euclid Ave., Cleveland.

Special prizes at the party were awarded to Mrs. Agnes Yarian and Tom O'Brien.

Assisting in preparations for the affair were Miss Eleanor Coppersmith, Miss Donna Baird, Lowell Fleischer, Carl Nandrasy, Mr. and Mrs. Frank Lanney, Dave White, Mrs. Michael Schuller, Miss Lois Firestone and Robert Hill.

Another party for Miss Currier took place Wednesday evening when Mrs. E. S. Vincent was hostess to 15 guests in her home on E. Third St. During the informal evening quiz games were enjoyed.

A gift of money was presented in farewell to Miss Currier. Assisting Mrs. Vincent in serving refreshments were Mrs. Walter Hofmeister and Mrs. Marie Fawcett.

Samuel Krauss Returns From Concert Tour

Samuel G. Krauss, son of Mr and Mrs. Sam Krauss of 653 Euclid St., recently accompanied the Philadelphia Symphony Orchestra in which he plays first trumpet, on its first tour of the European continent. The tour included three concerts in Paris in connection with the U.S. "Salute to France" presented by the American National Theater and Academy.

Krauss returned from the continent June 20 in the early part of the summer for the opening of the Robin Hood Dell concerts in Philadelphia.

During the orchestra's stay in Jarvenpaa, Finland, Jan Sibelius, famed Finnish composer, greeted the entourage in his home.

Mr. and Mrs. Krauss and children, Samuel and Sally, recently returned to Philadelphia from a Texas vacation.

Herb Haschen Feted On 17th Birthday

Monday evening's party for Herb Haschen in the home of Miss Delores Leone was a surprise affair in celebration of his 17th birthday.

"Herb," the captain of this year's football team, was honored by a large number of friends. A cake, made to resemble a football field, was the center of attraction at the refreshment table. The cake was enscribed with "Happy Birthday, Captain."

Assisting Miss Leone were her mother, Mrs. Frank Leone and Herb's mother, Mrs. Helen Kyser. He received many gifts.

Baptist Church Women Plan Coverdish Fete

A coverdish luncheon to be preceded by a sewing session will be the opening fall activity for the Baptist Church Woman's Christian Service League. The luncheon is set for Thursday, Sept. 15 at 1 p.m. All women of the church are invited.

Miss Jean Stitle Is Feted At Party

Columbiana County Home Demonstration Council groups and other organizations who have worked with Miss Jean Stitle, county home demonstration agent, honored her at a party Monday night.

The affair, held at St. George Parish Hall in Lisbon, included a mock wedding portrayed by boys of the North Georgetown 4-H Club, directed by Ralph Schneider and John Eddy. A trio of girls from the Winona Jolly Bunch 4-H Club sang.

Miss Stitle, whose resignation was effective yesterday, will be married Sunday to Carl Ruff.

Leetonia Couple Wed 60 Years

Mr. and Mrs. Charles Anglemyer

Mr. and Mrs. Charles S. Anglemyer of East Columbia St. in Leetonia will hold an open house from 2 to 8 p.m. Sunday in observance of their 60th wedding anniversary on the lawn of their home. Relatives and friends are invited.

Mrs. Anglemyer is the former Anna Cope, daughter of Mr. and Mrs. William Cope. The couple were married Sept. 5, 1895.

Children of the couple are a son, Roland C. Anglemyer of Harrisburg, Pa., and a daughter, Ruby V. Burick of Leetonia.

Miss Carolyn Devine Becomes Bride Of William Saunders

Miss Carolyn Rose Devine, daughter of Mr. and Mrs. Charles T. Devine of the Pine Lake Road, and William Keith Saunders, son of Mr. and Mrs. Claude W. Saunders of the Depot Road, were united in marriage Saturday by Rev. Charles Bailey, pastor of the Millville Friendly Community Church, in his home in Damascus.

The bride wore a white faille dress styled with a fitted bodice and matching jacket with three quarter length sleeves. The dress and jacket were trimmed with rhinestones and seed pearls at the neckline. Her corsage was fashioned of white carnations.

Mrs. Jack Hartman of Lisbon, the bride's only attendant, was dressed in a powder blue faille dress with fitted bodice and peter pan collar trimmed with sequins. Her corsage was of yellow rosebuds.

Hollis B. Saunders of Salem acted as best man.

Immediate families and the bridal party attended the reception dinner at the bride's home immediately following the ceremony.

A graduate of Goshen Union High School, Mrs Saunders is employed at the G. C. Murphy Co. Saunders who attended Leetonia High School was graduated from U.S.A.F.I. in the Air Force. He is employed by the Mullins Mfg. Corp. and the Metal-Wood Mfg. Co.

The couple will reside in their home on the Damascus Road.

Steak Barbecue Attraction

Let's have another back-yard barbecue. Be great for Labor Day holidays too. Everybody likes them. We went to one outside Chicago the other day. Of course, Chicago means good steaks, so that is what we had.

Although steak still reigns supreme for the outdoor barbecue, preferences for steaks vary. Some prefer individual steaks to be cooked to the favored degree of doneness.

Select 1-inch to 1½-inch thick beef tenderloin, club or the boneless loin steak, known as the strip steak.

Porterhouse or T-bone steaks cut 1½ inches thick will serve two people and, for more servings, select sirloin steaks, cut from 1-inch to 2 inches thick.

Other cuts of beef may be broiled or grilled if they are of top quality, bearing a packer's brand and are aged.

Chuck or shoulder, rib, rump and top round steak usually are best if cut ½ to ¾-inch thick and soaked ahead of time in French dressing or garlic-seasoned salad oil. Plan on ½ to 1 pound of meat per serving depending on the amount of bone. This is greater than usual, but remember those outdoor appetites.

Time for broiling steaks depending on the amount of bone. This is greater than usual, but remember those outdoor appetites.

Time for broiling steaks depends on the distance of the meat from the coals. In general, 1-inch thick steaks, medium rare, will require 20 minutes, while 2 inch beef steaks will take 40 minutes. Turn the steaks every 15 minutes and daub liberally with a barbecue sauce during the grilling period.

E-Z Barbecue Sauce

One tablespoon chopped onion, 1 tablespoon fat, 1 clove garlic, ½ cup catsup, 2 tablesppons vinegar, ½ cup water, ¼ teapsoo, chili powder, ¼ teaspoon paprika, 2 teaspoons sugar, 1 table spoon prepared mustard, 1 teaspoon Worcestershire sauce, ½ teaspoon salt.

Cook onion in fat over low heat until soft but not brown. Peel garlic and add. Add remaining ingredients. Mix thoroughly. Bring to boiling point, lower heat, and simmer 10 minutes. Remove garlic. Prepare in advance and store in refrigerator.

71 Persons Attend Third Coy Reunion

The descendants of the late Gleason Coy held their third annual reunion at the Homer Coy residence near Greenford Sunday. Among the 71 present were friends and relatives from Salem, Alliance, Columbiana, Leetonia, Greenford and Cleveland.

Mr. and Mrs. Glenn Coy and daughter, Mildred, of San Gabriel, Calif., attended for the first time since the reunions began. Also present were Mr. and Mrs. Roy Lehman and family from San Fernando, Calif.

Two servicemen present were Airman First Class Arnold C. Nye Jr., who is on his way to Japan, and Pvt. Kenyon French, who will be stationed at Camp Holibird, Md.

The oldest member of the family attending was Mrs. Homer Rotzel of Salem, who is a sister of the late Gleason Coy. No date has been set for a reunion in 1956.

Over 400 Expected At Democratic Picnic

More than 400 members, families and guests are expected to attend the 19th annual family picnic planned by the Salem Junior Democratic Club Sunday at Copacia Lake.

Dinner will be served the members at 1 p.m. and the afternoon's program will include sports and prizes for the children, dancing to the music of Art White's orchestra, and presentation of Democratic candidates and a talk by Mayor Dean Cranmer.

Rev. Fr. John Cunningham will give the blessing at 12:30 when the new flag presented by the club is officially dedicated for use by the American Legion Memorial Squad, which will be present.

Bennett Family Has Reunion On Sunday

The Bennett family reunion Sunday at Dunn Eden Lake was attended by 48 relatives from Salem, Keent and New Brighton, Rochester and Zeleniople, Pa.

Mrs. Pennie Sayre of New Brighton was the oldest member of the family present with Tommy Glaab of Rochester, the youngest. Mrs. Louis Young of Rochester was elected president; John Glaab of Rochester, vice president and Mrs. Ruth Detwiler, secretary-treaser.

Games followed the picnic dinner, and later the group went to the home of Mr. and Mrs. Robert Berg on the Sebring-Pine Lake Rd. for a wiener roast. Another reunion will take place on the fourth Sunday in August, 1956.

Officers Are Named At Dales Reunion

Forty relatives from Canton, North Jackson, Wellsville, Salem, Alliance, Cortland, Cleveland and Virginia attended the Dales reunion Sunday at Centennial Park.

Another reunion was planned the third Sunday in August, 1956 at the park. Officers elected for the coming year are: President, Robert Smith of Alliance; vice president, Wilbert Dales, Wellsville; and secretary - treasurer, Mrs. James Simpson of Wellsville.

The game committee will be comprised of Mr. and Mrs. Glenn Dales of Cortland; and serving on the food committee will be Mrs. Donald Ritchie of Canton, Miss Levina Dales of Salem and Miss Anita Broadsword of North Jackson.

Willing Workers Class Meets With Mrs. Lewis

Clarence Lease, vice president of the Willing Workers Class of the Highland Christian Church, conducted a meeting of the group Monday night at the home of the teacher, Mrs. William Lew isof Leetonia.

The group voted to meet Saturday nights in the future instead of Monday nights as has been the custom. The next meeting is scheduled for Sept. 24 when Miss Joan Driscoll will be hostess at her home on Teegarden Road.

Lunch was served by Mrs. Lewis, and television was enjoyed.

4-H Club News

Ellsworth Sunshine

The eighth meeting of the Ellsworth Sunshine 4-H Club at the Starr home included a picnic. Swimming followed demonstrations on projects by the girls.

The fair will be the topic at the next meeting at the Barney home on the Townline Rd.

Genial Goshenettes

A booth planning meeting at the home of Marianne and Jeanette Vanderburgh interested members of the Genial Goshenettes recently in preparations for the Canfield Fair.

Martha Kay Miskimins was appointed to make booth signs and nine girls are to dress dolls according to various style stages in 4-H club fair participation.

Croquet and lunch were the concluding features.

Miss Janet Johnson Becomes Engaged

Magistrates Oppose End To J.P. System

COLUMBUS, Ohio (AP)—The Ohio Magistrates Assn. held its annual meeting here yesterday with principal discussion on what they said was a move to eliminate justice of peace courts.

They spoke of ways to combat a recent legislative act transferring most peace justice court functions to courts of county-wide jurisdiction.

Ed Lantz of Perry Township said the law was a "concerted move of the bar association to take over everything in the state of Ohio."

About 85 of the groups' some 600 members attended the session and elected C. E. Mills, Martins Ferry, president to succeed Bert Ebright of Reynoldsburg. Earl J. Hardy, Alliance, was elected vice president; Paul Ochsenbein, Lansing, re-elected secretary, and William Dillon, Dayton treasurer

Lausche Opens Fat Cattle Sale

Also To Preside Over Governor's Cup Race

COLUMBUS, Ohio (AP) — Gov. Frank J. Lausche will open the annual Fat Cattle Sale today in the Governor's Day celebration at the Ohio State Fair.

The sale is the principal commercial event of the entire agricultural showpiece.

Continuing the 1945 innovation of the Feeder Calf Show, some 200 head of high quality calves also will be on display.

Lausche also will preside over the $5,000, three-heat Governor's Cup harness horse race and present the governor's trophy.

Other events on the agenda include the National Oxford Down Sheep Show, the opening of the National Red Poll Cattle Show, and Holstein Friesian dairy cattle judging.

The all-Ohio talent show with a cast of 125 will headline the night's grandstand program. Participants were chosen from more than 500 acts which participated in the weeklong youth talent show at the fair. Billy May's orchestra will provide the music.

A talent scout from the Arthur Godfrey program will be present to audition the best performers in the all-Ohio show for possible appearance on Godfrey's broadcast.

Yesterday's agricultural program was highlighted by the National Hampshire Sheep Show in which Green Meadow Farms of Bareville, Pa., swept 12 of the 14 classes. Penn State University took the other two classes.

The Keystone state thus piled up all the honors in competition with Ohio, Michigan, Illinois and Kentcky breeders, 24 of which entered 259 sheep.

The winners divided $2,775 prize money, and Green Meadow Farms also won the Fair Hampshire Breeder's trophy for the most wins and places.

Cattle judging event winners included William O. Peterson of McDonald Farm, Mount Pleasant in Jefferson County, whose Le Superior won the reserve senior championship of the Guernsey bull competition.

Among others who have brought winning cattle to the fair is Stanley Lawrence, a 17-year-old FFA member from Marion. Lawrence's three holsteins have won honors as champion holstein, reserve champion holstein, first cow in the class, first two-year-old heifer and first senior yearling.

Two teen-age sisters, Rosalyn and Nancy Marting of Washington Court House, walked off with blue ribbons too. Rosalyn had the top junior hereford yearling, while Nancy's honors came with her first senior yearling.

Fair receipts were up almost $35,000 for the first four days over the corresponding period last year, officials announced. Receipts for the period totaled $180,004, compared with $145,211 in 1954.

Attendance likewise has gone up, with 364,656 fairgoers registered the first five days this year, compared with 312,781 for the same period last year.

TO PLAN 4-H EVENT

LISBON — Council members for 1956 will be nominated and plans will be made for the Advisors' recognition banquet when members of the Columbiana County 4-H Council meet Wednesday, Sept. 7 at 8:30 p.m. in the county extension office, W. C. Roberts, associate extension agent, said today.

FIREFIGHTING COOPERATION — Fireman Gilbert O'Neill, waiting with tenant Mrs. Eugenie Ward, of Chicago, in a smoke-filled ninth story room of New York's Hotel Madison, gets some precautionary assistance from above, Aug. 29. Fireman Malachy Cox lowers a ten-foot scaling ladder to his colleague in case it was needed to reach the 85-foot aerial ladder which was short of the target. They managed to get Mrs. Ward out through the door of the room without resorting to the ladder. The fire was confined to a room at the other end of the floor.

Legal Attempt To Free Prisoner Fails

LISBON — Probate Judge Louis Tobin disallowed a petition for a writ of habeas corpus Wednesday for Samuel J. Turkk of Melrose Park, Ill., who is being held by county authorities for stealing a car owned by Clarence A. Lintner of Kensington.

Turk's attorneys maintained that Turk, who is absent without leave from the service, was being held unlawfully. Turk was arrested by state highway patrolmen and turned over to county police Aug. 23. He received a preliminary hearing Tuesday in the court of Clyde Knestrick, Hanover Township justice of the peace, who placed him under $2,500 bond.

Turk's attorneys, Warren Bettis of Salineville and Richard Kennedy of Lisbon, said the affidavit charging Turk with stealing the car was signed by Lintner's wife and, therefore, not legally drawn. They also claimed the Hanover justice did not have juristdiction to try the case in his court.

The attorneys further stated that Turk was unlawfully detained for a week before he was given a preliminary hearing.

Judge Tobin ruled that the affidavit was legally drawn and that Knestrick had the jurisdiction to conduct a preliminary in his court.

Turk is on two-year probaton in Ashland County for a similar offense. His attorneys sought to free him so he may be turned over to military authorities.

County Engineer To Get New Automobile

LISBON — Common Pleas Judge Joel H. Sharp has authorized the Columbiana County commissioners to buy a new 1955 Chevrolet for use by Charles O. Snyder, county engineer.

The commissioners' office said Snyder's present car, a 1950 Chevrolet, will be used by John Neill, county road supervisor. Neill's car, a 1949 Ford, will be traded in on the new car, the office said.

TO BUY OHIO BELL STOCK

COLUMBUS, Ohio (AP)—The American Telephone & Telegraph Co., will get first crack at buying 900,000 shares of Ohio Bell Telephone common stock to be issued over a period of two or three years, the Ohio firm announced yesterday. AT&T is Ohio Bell's parent company and now owns all of its outstanding stock. The new issue—nine million dollars worth—will be sold at $100 a share. The state utilities commission yesterday dismissed an AT&T petition seeking permission to buy the stock. The commission said it was without jurisdiction to act and it was not necessary for AT&T to get commission consent.

Linzell Denies Ohio Road Program Bogged

COLUMBUS, Ohio (AP) — Ohio's road construction program has not bogged down nor it is being "padded. . . with patch jobs" to build up favorable statistics, Highway Director S. O. Linzell said yesterday.

He told Gov. Frank J. Lausche he was making a report because a recent series of newspaper articles "may have caused some uncertainties to arise in your mind regarding the highway program."

Linzell said the news articles were based on figures for the first half of 1954. He said:

"As of today, construction valued at 73 million dollars has been let for advertising and 77 million more is advertised or being processed for advertising and 7 million more is scheduled for letting before the end of the year."

He said this program "exceels in volume the program presented to the special session of the Legislature in January, 1954."

2 Women Killed In Train-Car Crash

WILMINGTON, Ohio (AP) — Two women were killed last night when the car they were riding in crashed into a Baltimore and Ohio freight train in New Vienna, 10 miles southeast of here.

The state highway patrol said the car and train collided at the B&O Railroad crossing on Church Street.

The patrol identified the dead as Mrs. Violet Polk, 55, and Mrs. Marie Slater, around 35, both of New Vienna. Ginger Driscoll, 18, also of New Vienna and driver of the vehicle, was injured in the crash and taken to Clinton County Memorial Hospital, the patrol said.

Officials at the hospital today described Miss Driscoll's condition as far and said she suffered multiple abrasions and lacerations about the body.

Rupert Farm Tour Scheduled For Tuesday

Farm and Home Development Group members will inspect the Willis Rupert and Sons farm, a mile north of New Waterford on Route 46, Tuesday, Sept. 6, at 8 p.m., Floyd Lower, county extension agent, said today.

Lower said the schedule of activities during the tour includes observing the dairy herd, which he calls "one of the outstanding Jersey herds in Ohio," and inspection of the farm, including pasture and hybrid corn fields. Also viewed will be the milking parlor, hay drier, farm equipment and corn and grain storage, he added.

Lower said a discussion on operations of the farm, where testing has been done continuously for more than 40 years, will also be held in one of the buildings.

Ex-Russian Flier To Be U.S. Citizen

ALEXANDRIA, Va. (AP) — Peter Pirogov, a Russian flier who risked his life to hop the Iron Curtain in 1948, will become an American citizen.

The last major barrier was cleared Wednesday with the announcement that the Immigration and Naturalization Service has approved Pirogov's application for citizenship.

Pirogov, a navigator, and pilot Anatole Barsoff landed in a Russian bomber at an airport in the American zone of Austria seven years ago with a scant two minutes of fuel left.

Barsoff became homesick and returned to Russia, but Pirogov, now 35, settled in Fairfax County, Va. He is now a consultant to the Air Force.

Racketeer Found Slain

Only 2 Involved In Texas Slaying Alive

FORT WORTH, Tex. (AP)—Police found the body of gunman-gambler Leroy (Tincy) Eggleston, 49, in a shallow well six miles north of here Wednesday night. He had been shot in the back of the head.

His death left alive only two of the principals in the slay-for-pay murder of wealthy oilman William P. Clark, 61, found dead in his expensive home May 22, 1953.

The remaining principals are Clark's blonde widow Mary, 46, and Harry Huggins, the 47-year-old mobster-informer who said Mrs. Clark offered a $10,000 reward for her husband's death.

Eggleston's body was found less than a week after his bloodstained sedan turned up on a parking lot here.

Another mobster named by Huggins and the police in the Clark killing, Cecil Green, 49, was slain in a gangland ambush last May 4 when he and Eggleston drove up to a highway rendezvous. Eggleston shot his way out of the trap and was found, scared and shaking, hours later in a nearby building. He had been reported in hiding until his disappearance but underworld sources sad he "was still busy."

Eggleston, the source said, stayed busy milking gamblers, burglars, safe men and others of part of their hauls, giving them the alternative of losing all of their take.

Oilman Clark was found May 22, 1953, shot to death in his palatial 22-room home. Police first called it suicide but Huggins broke the case wide open in April 1955 with his story of Mrs. Clark's reward offer.

Just 12 days before his body was found, the oilman had petitioned for annulment of his marriage to the shapely blonde, saying she had "lured me into marriage for my money."

Huggins, Eggleston and Green were charged with murder and later indicted. Mrs. Clark was charged as an accomplice. She has maintained she had nothing to do with her husband's death.

Huggins said he went to the Clark residence in the belief that the job was only robbery.

While he searched the house for valuables, he told police, one of his accomplices took Clark into another room. He said he heard a shot and returned to find Clark dead, a bullet hole behind an ear.

"That was part of the job," he said the triggerman—believed by police to have been Eggleston—told him.

Patrolman Rewarded For Turning Down Promotion

NEW YORK (AP)—Early this week Patrolman Julius A. Horai, 52, turned down a promotion to detective. He said it wasn't worth the extra $215 a year, considering he would have less time to spend with his family.

A detective is on call around the clock, while a patrolman works specified hours.

The word got around in Wall Street, which has been Horai's beat for most of his 23 years on the force. Folks in the area, remembering the policeman's past kindness and consideration, "passed the hat."

Result: contributions totaled $1,200—equal to six years of the pay boost Horai turned down.

2 Young Men Buy Troy Daily News

TROY, Ohio (AP)—The Miami Publishing Co., publishers of the Troy Daily News, has been sold to R. George Kuser Jr., 28, of Lawrenceville, N. J., and Thomas R. Wright, 29, New Brunswick, N. J., the pair announced. They will assume ownership today.

The News, an afternoon paper with an estimated 7,500 circulation has been owned until now by A. C. McClung and Mrs. Susan P. Pauly, both of Troy. Purchase price was not divulged.

Kuser is a Princeton graduate and grandson of the former owner of the Trenton (N. J.) Times. Wright is a University of Maryland graduate and formerly worked in the classified ad department of the Baltimore Sun.

Ohio To Begin Better Use Of Juvenile Diagnostic Center

COLUMBUS, Ohio (AP)—The department of mental hygiene and correction today announced plans to make better use of its juvenile diagnostic center in Columbus, beginning the first of next year.

At that time all girls committed to the Girls' Industrial School at Delaware and all boys 10 through 14 committed to the Boys' Industrial School at Lancaster first will be sent to the center for diagnostic study and treatment prescription.

The center now receives boys, 15 and under, committed to the BIS from 50 rural counties.

"Any modernization of the treatment program in the industrial schools must begin with a professional diagnosis," said Dr. John D. Porterfield, department director.

A recent professional survey of the industrial schools said treatment could be improved greatly. The same report lauded work at the center and said it should be expanded.

"The department must not slacken its efforts to make full use of the facilities it now has" Dr. Porterfield said. "The industrial schools are in serious need of all the services that the juvenile diagnostic center can provide, if their programs are to be measurably improved."

Dr. Porterfield hopes that eventually all delinquent boys and girls committed to the industrial schools will be sent to the center first.

To make room for the larger number of boys and girls who will go to the center beginning next Jan. 1, Dr. Porterfield curtailed guidance services to local community agencies. After today no new applications for residential guidance services will be accepted at the center.

By the first of the year beds now occupied by children from local courts and welfare agencies will be available for boys and girls committed to the industrial schools.

Need 2½ Million More For Flood Relief

NEW YORK (AP)—The Red Cross says it still is shy 2½ million dollars of its 10-million goal for Northeast flood relief. The organization announced Wednesday that emergency contributions total $7,481,926 to date.

Holmes Is New Superintendent At Massillon

YOUNGSTOWN, Ohio (AP) — Dr. Mansell Holmes, assistant commissioner in the Division of Mental Hygiene in the Ohio Department of Mental Hygene and Correction. Wednesday was named superintendent of the Massillon State Hospital.

The appointment was announced by Mahoning County Probate Judge Clifford M. Woodside, chairman of the advisory council of the hygiene and correction department. The council is meeting here today.

The appointment followed the recommendation of Dr. John D. Porterfield, director of the department.

Dr. Holmes succeeds Dr. H. K. Moir, who resigned Aug. 22 with only a quotation from the Bible given as a reason for leaving. The quotation, from King Solomon, was "Better a dry crust and peace therewith than a house full of plenty with strife."

There had been reports of strife within the hospital's administration for some time prior to the resignation. Nothing official was reported.

"We have complete confidence in Dr. Holmes' ability and he will be backed completely in his administration of the hospital," Dr. Porterfield said.

"He is being charged by the central office with responsibility of settling that hospital down into efficient operations as quickly as possible and to take all steps necessary to see that this is done."

Dr. Holmes joined the Ohio department last spring, coming here from a veterans hospital in Colorado. His new appointment will be effective Oct. 1.

Inside Labor

By Victor Riesel

In a suite in Chicago's Hotel Morrison three weeks ago, a group of husky men met and worked out a pact which sooner or later will thunder over the nation's highways, shake many a city and stir up the ports of this country.

Victor Riesel

In that suite of rooms where virtually all the men who lead the powerful teamsters Brotherhood and some 19 officials of the controversial International Longshoremen's Assn., about which enough movies, books and news stories have been written to fill the Smithsonian Institute.

Leading the Teamsters was the stocky, steel - muscled 42-year-old Jim Hoffa, who would be out of character if he didn't realize that he is certainly one of the two or three most influential labor leaders in the nation today—despite his formal title of ninth vicepresident of the International Teamsters Brotherhood. Heading the Longshoremen's 19-man delegation was the broadbeamed Capt. William Bradley.

Missing only was the Teamsters' supreme chief, Dave Beck. He was in a hospital tussling with a kidney stone attack and the problems raised by the Hotel Morrison pact.

-:-

BEFORE WE GO into these problems, let's go into the pact. The Teamsters, with jurisdiction over everything that moves on wheels, have long had their eyes on the nation's waterfronts—which would give them terrific leverage for organizing drives in the South Atlantic and Gulf port states where there is comparatively little union strength.

For almost two years, since mid-September 1953, when the AFL convention ousted the Longshoremen's Union, the Teamsters have planned to pick up what waterfront labor they could. Now they were finally putting down on paper the agreement which would make a working ally of the independent Longshoremen's Union.

The Longshoremen, in the new pact, agreed not to affiliate with any other labor organization for 20 years, but to work with the Teamsters.

-:-

THE LONGSHOREMEN also agreed to try to plan their union contracts so that they will end on the same date on which the Teamsters' labor contracts expire. The advantage here is obvious—the Teamsters and the Longshoremen could strike at the same hour and nothing could move in or out of a port or lakeside city.

This being a mutual assistance pact, the Teamsters reportedly agreed to help the impoverished Longshoremen with a $60,000 loan—and more to come when necessary. And it will be necessary. The Longshoremen already owe John Lewis some $400,000.

Thus the Teamsters are ready to unleash an organizing drive along the coasts which will shake many a community—except for one rather important detail. The pact has to be signed—or okayed—by Dave Beck.

-:-

TO BECK the decision to sign or not to sign must be as painful as his kidney stones. There is no doubt he wants to sign. There is no doubt that his people want him to sign. But signing that pact will throw Beck and the Teamsters Brotherhood into conflict with AFL president George Meany just as the AFL and the CIO begin to merge.

Signing could be the signal for warfare on the docks — which neither Beck nor Meany wants. Here's why! The AFL already has a Maritime Trades Dept. In this department is the AFL's own dockside union, the International Brotherhood of Longshoremen. Its leader is E. L. Slaughter, who doubles as secretary of the AFL's Maritime Trades Department.

-:-

THIS DEPARTMENT, backed by the national AFL, is committed to fighting the International Longshoremen's Association for control of the docks next May when the waterfront contracts expire.

Remember, too, that by next May all the CIO waterfront unions will be in the AFL, giving the AFL Longshoremen support. If Beck signs the Hotel Morrison pact, this will throw the AFL Teamsters behind the independent Longshoremen's Union, against the AFL's Longshoremen. Beck doesn't want this kind of civil war. Nor does he want to reject those of his lieutenants who drew up the Chicago pact with the independent Longshoremen.

Somebody will have to yield—but who?

Paper Says Truman To Snub Dinners

SPRINGFIELD, Ill. (AP) — The Copley Press said today former President Truman has decided to snub two California Democratic fund-raising dinners because he is "sore" at Edwin S. Pauley, former treasurer of the Democratic National Committee.

The Copley Press and the Los Angeles Times in similar stories said Truman is angry because Pauley entertained Vice President Nixon and his wife at a reception recently.

Pauley, multimillionaire oil man, is a "key figure" in arrangements for the dinners, Copley Press said in a story from Washington carried by the Illinois State Journal, Springfield, and other Copley newspapers.

The Los Angeles Times said Truman "is boiling Missouri mad" over Pauley's party for Nixon. It said, "This was the rumor rampant in the capital today although Democratic officials stuck to their story: Mr. Truman called off his California rip on doctor's orders."

Truman was not available for comment immediately.

Pauley denied the story.

Orchard Tour is Sept. 8

Orchardists of the Mahoning-Columbiana area will entertain apple buyers with an orchard tour, dinner and meeting on Thursday afternoon and evening, Sept. 8th. The tour will start at the fruit grower's storage at Greenford at 2:00 fast time.

First orchard to be visited will be that of Frank Baird's about three miles west of Greenford on State Route 165. At 3 the orchard of A. A. Less, one mile east of Greenford on Route 165 will be visited. At 4 the orchard of Edward Kirk and Albert Hartley, four miles south of Columbiana on County Road 908 will be visited. At 5 the orchard of I. P. Lewis, one mile east of Middleton on County Road 857 will be inspected and at 6 the orchard of Dan Simmons on County Road 939.

At 7:00 the growers will entertain their guests at a dinner at Heck's Restaurant, Columbiana. Following this, there will be a panel discussion on "Apple Marketing." Included in the panel will be M. E. Cravens and Theodore Leed of Ohio State University; C. W. Ellenwood, associate horticulturist of the Ohio Experiment Station; Howard Wells, Ohio Apple Insititute; and a number of apple buyers and growers.

The tour is an annual event sponsored by the orchardists of this area. All orchardits in the area are invited to participate.

The executive committees of the Mahoning, Columbiana Horticultural Societies and the county agents of the two counties arranged the details of the tour.

Air Tour of Farms Set

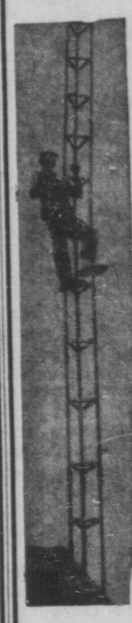

Columbiana Soil Conservation District has received 824 applications for conservation planning work to be done on farms in the county since work was first begun in 1943.

The district was first organized in the fall of 1942. The conservation map shows the position of the various projects either completed or still being conducted by the district. The following conservation work is mostly being done in the various sections of the county: Western, contour strips and pasture and woodland management; center, contour strips and diversions; eastern, terraces, diversions and cropping of fields on the contour; south and southeast, diversions and contour strips; and northern, combination of everything but mostly terraces and contours.

A lot of the farms in the center of the county have had relatively little conservation work done on them, H. L. Reuter, work unit conservationist at Lisbon, said. County farmers will be able to see some of the work being carried out by the district during the county farm air tour Sunday and Monday.

Base for the air tour is Swaney Airport on Route 267, near East Liverpool. The tour will be held in conjunction with an air fair at the airport.

He's a BIG BOY *now!*

Yes dad, your son is growing up! He's a big handsome teenager now—and you're proud of him. Like thousands of boys, he's starting out in true American fashion — as a progressive young business man in the community.

You'll never forget the day he started his first business venture — his newspaper route. You often wondered how he could supplement his schooling with profitable business training—an essential ingredient necessary for success and happiness. Now he has that opportunity! He is now receiving invaluable lessons in courtesy, service, thrift, obligation, dependability, selling and human relations. Along with this wonderful experience he is earning as he learns.

HOW ABOUT YOUR SON?

He too can reap the educational advantages and earn a regular and substantial profit for his work. Encourage him to apply for the next route opening in your locality. Contact our Circulation Department about it.

Huge U.S. Farm Surpluses Keep Allied Camp Worried

WASHINGTON (AP) — America's farm production was coaxed to new heights during the war years. Today it bestrides the delicate field of foreign affairs like Frankenstein's monster.

Butter, cheese, cotton, rice, wheat — these are unmentionables in polite conversation with certain of America's allies. And for very grave reasons.

Dumping the huge U. S. surplus in rice and cotton on the world market, for example, could drive Asia and the near and Middle East into the Communist camp.

For rice, this is true because of Burma, a faithful friend and staunch ally. Burma is the chief rice supplier in Southeast Asia indeed has a surplus of its own. American rice has no place else to go but Southeast Asia.

What would happen if the United States started shipping rice into the area, infringing on Burma's market? The Burmese would be outraged, perhaps driven into trade and tight liaison with rice-hungry Red China. The lives and fortunes spent to keep the Reds out of the area would be lost—and possibley all of non-Communist Asia as well.

With cotton, it's principally Egypt, although Mexico and Brazil are concerned, too. The Egyptians are the world's champion growers of fine long staple cotton. It is practically the only thing they export. Dumping the U. S. cotton surplus into Egypt's markets would play havoc with Egypt's economy.

That is intolerable in the cold light of western strategy, leaving all moral considerations aside. Egypt is a key to Arab-Israeli peace and to continued cold-shouldering of Communist attempts to muscle in on the Middle East.

The milk producing Scandinavian countries might be alienated if American dairy surpluses showed up cheap on the world market As to wheat, the grain-growing Canadians never cease to fret that America's billion bushel surplus might be dumped on the world market.

How can this five billion dollar monster of U. S. surpluses be tamed before it tramples its owner's hard-won foreign friendships? Where is the solution, immediately and for the long run? What about the Iron Curtain countries?

The Eisenhower administration is reviewing the whole monumental question at this time. It has to, under constant congressional pressure to do something and faced as it is with the changing mood of the cold war.

Indeed, the warm wave flowing from this summer's Geneva summit conference might melt through the East-West trade barriers and thereby bring a solution, for the short run at least. Hardly a week goes by that some member of Congress doesn't propose selling wheat to Russia or dropping it by the bagloads on Red China whether Peiping wants it or not.

Meanwhile, the government chips away with the tools it has and plans hopefully for the long haul.

Its chief tool for disposing of farm surpluses abroad is public law 480. This permits their sale, barter or give-away to "friendly countries." Russia and Red China are specifically barred. The law would have to be changed to bring them in.

As of last June 30, a total of 21 agreements involving nearly 470 million dollars in goods had been signed with 17 foreign governments under this legislation. To avoid dumping, the amounts are limited and controlled.

A major provision is that sales may be made for foreign currency. This money never reaches the United States, however. It is simply plowed back into economic development of the country, gift of Uncle Sam, or used to pay off U. S. bills, such as for troop camps in Japan.

HIGHER EDUCATION — The tough job ahead of Peggy Wolverton, 6, of Anderson, Ind., and many other youngsters beginning school this fall is dramatically portrayed here. She's eyeing a pile of 71 basic textbooks she must wade through before she finishes the eighth grade. In addition, she will dip into or study many others.

Turkeys, Hams Featured In Stores

By The Associated Press

Turkeys and smoked hams take over the featured spot in the nation's food stores this weekend.

Smoked hams, whole or halves, are attractively priced and in some stores turkeys will be down around six cents a pound from recent levels.

Fryer chickens will be another popular feature, with some markets dropping prices two to six cents a pound from a week ago.

Legs of lamb will be lower in some sections of the country. Another weekend special will be prime ribs of beef.

Egg prices, which have climbed rather sharply in recent weeks, will be lower in most markets. One chain is cutting grade A whites by on to eight cents a dozen in many of its outlets.

Produce men nominate potatoes, onions and eggplant as the outstanding buys of the week. Also recommended are cabbage, carrots, sweet potatoes, cauliflower, peppers, beans and corn. Most of the corn, they add, is of ordinary to fair quality.

Convict Fails His Bar Examination

CINCINNATI (AP)—Morris Thomas, who studied law in an Alcatraz cell, flunked his public bar examination yesterday.

Thomas, 36, formerly of New Orleans, attempted to get the U.S. District Court here to erase his 104-year sentence for kidnaping and automobile theft.

The convict-barrister contended his constitutional rights were violated in 1949. He said the presiding judge, John H. Druffel, did not permit him to make a statement on his own behalf and his court appointed attorneys misled him.

Judge Mell Underwood denied Thomas' petition and ordered him returned to the prison island.

Thomas told Underwood he was inncent of kidnaping and beating Mrs. Mucie C. Pott, 57, of Cincinnati. But, he said, his attorney, Harry A. Abrams, informed him a death penalty was certain unless Thomas pleaded guilty to car theft. The kidnaping charge, the prisoner quoted his lawyer, would be dropped in accordance with an agreement with the prosecutor.

Abrams declared Thomas' statements were "absolute lies."

Woman Fails Driving Test In Big Way

ATLANTA (AP) — Mrs. Maude Pierce took a road test for a driver's license Wednesday.

Two cars were smashed, the state patrolman giving the test was injured, and Mrs. Pierce got a traffic court summons for failing to remain in the proper traffic lane and for being involved in an accident.

Police said the 42-year-old house wife became excited while making a curve, stepped on the accelerator instead of the brake and crashed into a parked car and a utility pole. State Trooper Lloyd P. Hataway, who was giving the test, was hospitalized for head and hip injuries.

Mrs. Pierce didn't get the license.

Knox Local School Will Open Tuesday

Knox Local School will open on Tuesday with a teachers' meeting at 9 a.m., John Pickens, superintendent, reports.

Students, except for kindergarten pupils, will report at 1 p.m.

Classes for kindergarten pupils will commence Sept. 12. All kindergarten pupils living on Johnson Road and east of Johnson Road will attend the morning session, Pickens said. Kindergarten pupils living west of Johnson Road will attend the afternoon classes.

The eight-room addition which was approved by voters at the November election will be ready for occupancy this school term. The annex will house kindergarten and 7th and 8th grade classes, Pickens said.

U.S. To Have 22 Million Veterans By September

WASHINGTON (AP)—There should be 22 million veterans in America by late September or early October, the Veterans Administration (Va) said today.

At the end of July there were 21,921,00 veterans, latest available figures show. This was an increase of 43,000 during July, a big drop from the increases of 96,000 during June, 87,000 during May and 79,000 during April.

The figures do not include the men now in service.

The VA said the average age of all veterans on June 30 was 38.3 years.

VA's veteran population estimate for Ohio as of June 30 was 1,179,000.

Nashua With Arcaro Aboard Beats Swaps In $100,000 Race

Eastern Bred 3-Year Old Wins Match Contest By 6½ Lengths

By CHARLES CHAMBERLAIN

CHICAGO (AP)—It took Nashua 3 months and 24 days to catch up with Swaps and avenge his Kentucky Derby loss.

The powerful, mahogany bay, pride of the East, met the California-bred Swaps under neutral conditions Wednesday at Washington Park and scored a brilliant 6½-length triumph in one of the greatest match races ever run.

It was a thorough trouncing at 1¼ miles under equal weights of x86 pounds, the same as the Kentucky Derby when Swaps brushed off favored Nashua's midstretch challenge and swept to a 1½-length victory.

The $100,000 winner - take all showdown was the first of its kind since Armed beat Assault and jockey Eddie Arcaro by eight lengths for the same jackpot at Belmont in 1947. It undoubtedly cinched 3-year-old honors and probably the Horse of the Year award for Nasrullah's handsome son, owned by William Woodward Jr. of New York.

This sweet revenge accomplished under the sting of Acaro's whip that spurred Nashua to a never-headed lead from the barrier, gave the colt his ninth victory in 10 starts this year.

Sunny Jim Fitzsimmons, Nashua's trainer, told Arcaro to "keep the other horse busy all the time. Run when you have to."

Arcaro said he "hit Nashua so hard" he thought he "set his flank on fire." He added that Nashua "did everything I asked him to do, including take the lead."

Willie Shoemaker, the losing jockey, said that "Swaps tried, but just couldn't get there." He added:

"I'm not making any excuses but I don't think he cared too much for the track—he was laboring all the way and didn't handle too well."

The $100,000 pot pushed Nashua's earnings to $689,700 as a sophomore. He collected $192,865 in winning six out of eight starts to take juvenile honors last year. The total of $882,565 left him third behind Stymie and Citation on the all-time money list.

After his defeat in the Kentucky Derby, Nashua went on to win the Preakness, Belmont, Dwyer and Arlington Classic, touching off the clamor for a showdown.

Nashua's winning time on a track termed as "good" was 2:04.2. He went off at 6-5 and returned $4.40 before a crowd of 35,262. Swaps received 1-5 backing.

THE WINNER—Nashua, Eddie Arcaro up, stands in the winners circle at Washington Park in Chicago after winning his $100,000 winner-take-all match with Swaps. Owner William Woodward Jr. holds on to his colt as Mrs. Woodward congratulates Arcaro.

Jackson Batters Charles In 10th

Apologizes To Ezzard For Winning Fight

CLEVELAND (AP)—Tommy (Hurricane) Jackson, the fantastic young fighter who had just battered Ezzard Charles into helplessness, walked up to the 34-year-old ex-champ in the dressing room Wednesday night and told him, "That was one fight I hated to win."

The tall, 24-year-old youngster from Far Rockaway, N.Y. with his second unanimous 10-round decision over Charles in less than a month, had spoiled the Cincinnati boxer's hopes for another crack at the world's heavyweight crown.

In the ring before the TV cameras, Jackson was a dancing, weaving, cocky jack-in-the-box, finally staggering the baffled Charles in the 10th round and hitting him with punches from everywhere.

But in the Cleveland arena's dressing room, Jackson was shy and self-conscious as he walked up to Charles and apologized for beating him.

Charles, just out of the shower was seated on a stool with a towel around his midsection, talking to reporters. His right eye was swollen nearly shut from the beating he took in the final minutes of the bout, but he wasn't seriously hurt.

Jackson, without a mark on him, walked up, leaned over the older man, and also whispered his apologies. He straightened up as Charles responded with some advice to a young boxer.

"Take care of yourself and keep trying," Charles said. "You've got a lot of ability that most fellows haven't got. Put your heart in it."

Tears well in Jackson's eyes as he lisened to Charles, and he broke in with:

"But I don't want to fight."

"Oh, if you don't want to fight, that's a different story," said Charles. "With me it was different, I wanted to fight—"

"I fight because there's nothing else I can do," interrupted Jackson and walked away.

Fishing Poor: That's Forecast This Weekend

COLUMBUS, Ohio (AP) — Despite generally clear lakes and streams, the fish in Ohio just aren't biting these days.

That's the report from the Ohio Division of Wildlife, which predicted only fair prospects for Labor Day weekend anglers.

The report by areas:

Northwest—most streams clear but low. Lake St. Marys, Oxbow and East Harbor yielding bass, bluegills and catfish.

East Central and Southeast — most streams and popular lakes —Burr Oak, Piedmont, Atwood, Leesville and Seneca—in fair condition, with bass and bluegills making up most of catch.

Central and South—Weekend outlook fair to good, with streams in good fishing condition.

ULCEROUS — Marty Marion is deeply concerned about something that is happening to his White Sox and it obviously didn't work out very well.

Toronto Still Leads Inernational League

By The Associated Press

With only four days to go, it's a pretty safe bet that Toronto, Montreal,, Havanna and Rochester will be the combatants in the International League playoffs. Still left to be answered is: Who's going to win the pennant?

Toronto is still on top after its 9-4 victory over Havanna last night. Havana, now five games back, seems consigned to third place, nine games ahead of the Rochester Red Wings, who blasted Richmond, 14-8. But the Montreal Royals, with their doubleheader victory against Columbus, 2-1 and 5-2, have moved within half a game of the Leafs and are set to go right down to the wire in quest of the title they last won in 1952. Buffalo toppled Syracuse, 2-1, in a ten-inning struggle to round out league action.

MAJOR LEAGUE STARS

Pitching — Hector (Skinny) Brown, Baltimore, relieved Bill Wight with none out in the first inning and pitched eight innings of hitless ball while striking out 10 as Indians won 5-1.

Batting — Jim Rivera, White Sox, powered a pair of two-run homers in 4-2 victory over Red Sox.

5 American Association Players Will Join Cleveland Next Week

CLEVELAND (AP)—Five players from the American Association will join the Cleveland Indians when the Tribe begins its last eastern trip next Tuesday.

The Indians' front office announced today that first baseman Joe Altobelli, outfielder Rocco Colavito and second baseman Bobby Young were recalled and the contracts of pitcher Hank Aguirre and second baseman Stan Pawloski were purchased from the Tribe's Indianapolis farm club.

Two other pitchers, Dick Tomanek and Marion Murszewski, also have been recalled, but they will not report until 1956 spring training, the Indians said.

Altobelli, who played for Cleveland early in the season, has chalked up a .276 batting mark at Indianapolis, while Colavito is .270 with 27 homers and 91 runs batted in.

Young, who played for St. Louis and Baltimore and was purchased this summer by Cleveland before being optioned, has been hitting .352 in the farm club. Pawloski has a .274 average with 79 RBI's.

The Tribe called Aguirre "one of the best pitching prospects in the Indians' farm system." He has an 11-9 record at Indianapolis, with an earned run average of 3.00, third best in the association. Tomanek is 5-12 and Murszewski stands 7-14.

Pirates Mgr. Hopes Team Will Climb

PITTSBURGH (AP) —Fred Haney, long suffering manager of the Pittsburgh Pirates, isn't making any predictions but he admits he's sort of keeping his fingers crossed in the hope the club will get out of the National League cellar.

Going into today's game with the St. Louis Cardinals, the Pirates have won nine of their last 13 games. They're only 3½ games back of the skidding St. Louis Cardinals.

"We've certainly been getting some excellent pitching — a little better than I thought we would be getting," said Haney after the Pirates edged the Cards 4-3 in 10 innings Wednesday night.

The pitching wasn't quite on a par with recent performances as Lino Donoso gave up 12 safeties but he was tight in the clutches and infielder Johnny O'Brien's single in the 10th enabled him to pull out the victory.

The hit was O'Brien's third of the game and it boosted his average to .306, tops for the club. His twin brother outfielder Eddie, is hiting .255. Haney said he has high hopes for both of the O'Brien boys. He added:

"The pitching, though has been our strong point in our recent games. Our young fellows are starting to come through in fine shape."

In the nine games they've won out of their last 13, the Pirates have given up only 19 runs.

Vernon Law, a righthander who hurled 18 innings in a game with Milwaukee earlier this season, is the winningest pitcher on the club with a 10-8 record. Within the past two weeks he's beaten Cincinnati 2-1 on a six-hitter and shut out the Braves 2-0 while giving up only four hits.

If the Pirates win today they'll equal their victory mark of 53 last year. Their mark now is 52-80 and they seem a cinch to have their best season since 1950 when they won 64 and lost 90.

"I'm not predicting where we'll finish this year," said Haney. "But the boys are giving everything they have and their spirit is wonderful."

62 Candidates Report To Wisconsin Team

MADISON, WIS. (AP) — The University of Wisconsin footbtall team opened drills Wednesday and coach Ivy Williamson counted 62 candidates in camp.

Two-a-day drills opened Thursday and will continue until school opens Sept. 19. Williamson said he found his players in apparently "pretty good" physical condition.

Wednesday's turnout represented the full list of those sent invitations and included 12 lettermen. The first session was devoted to physical exams and picture taking.

139 Of 328 Sportswriters Chose Nashua

NEW YORK (AP) —A total of 139 of the 328 sports writers and sportscasters participating in the Associated Press pre-race poll were right in selecting Nashua to beat Swaps, but only one predicted the correct time and none came within two lengths of naming the margin of victory.

Dick Anderson, sports editor of the Evansville, Ind., Press predicted the mile and one-quarter would be run in 2:02 1-5. That was Nashua's time in beating Swaps by 6½ lengths Wednesday.

Harry Yocky of th Dovr,emil Harry Yockey of the Dover, Ohio, Daily Reporter and Jack Joyner of WTSK-TV, Knoxville, Tenn., were next closest. They figured the time would be 2:04.

Norbert Siwa of the Detroit Free Press came closest to predicting the margin of victory. He said 4 lengths but figured the race would be won by Swaps but perhaps Ed Kennedy of WKRC, Cincinnati, actually came the closest when he called Eddie Arcaro, Nashua's jockey, the winner "as he pleases."

Chicago Buys Papai From Oklahoma Indians

CHICAGO (AP) —Pitcher Al Papai of the Oklahoma City Indians was on his way to the pennant-contending Chicago White Sox today.

The big, 34-yearold righthander, a native of Divernon, Ill., was sold to the Sox by the Texas League club in a transaction announced Wednesday.

Papai, a knuckleballer, has a 23-7 record with the Indians. He made his first major league appearance with the St. Louis Cardinals in 1946.

Chicago Sweeps 2-Game Series To Stay On Top Of American League Standings

By ED WILKS
The Associated Press

Chicago's old folks pitching staff reclaimed Bob Keegan today and the White Sox shoved off for Cleveland to put their half-game lead in the American League to a showdown test against the Indians.

Manager Marty Marion's been getting a lot more mileage than anyone expected from his mound veterans, riding on top with the Likes of Virgil Trucks, 36; Sandy Consuegra, 35; Millard Howell, 35; Morrie Martin, 33; Connie Johnson, 32; and Harry Byrd, 30. And now Keegan, 34, is back in good standing.

The big right-hander, a 16-9 help to the White Sox last season but a bust thus far in '55, came back with an eight-hitter Wednesday to beat Boston 4-2. It was his first victory and first complete game since Sept. 12, 1954.

Jim Rivera contributed a pair of two-run homers.

Chisox Still Lead

With a sweep of the two-game Boston series, Chicago stayed five percentage points ahead of New York and Cleveland, deadlocked in second. The Indians kept the pace as rookie Herb Score three-hit Baltimore 5 - 1 and fanned 13, overcoming eight hitless relief innings by the Orioles Hec Brown. New York made it past Kansas City 11-6, but Tommy Byrne needed help to gain his 13th victory when the A's scored five in the ninth.

Boston fell five game behind.

Brown arrived too late to help the Orioles. Cleveland scored five in the first with five hits off Bill Wight before Hec came on the scene. Jm Hegan and Hoot Evers each drove in two Tribe runs.

Yanks Belt 17 Hits

Byrne, 35, was breezing along on a four-hitter, behind home runs by Irv Noren, Gil McDougald and Mickey Mantle, and had retired 13 in order when the A's went to work in the ninth. Don Larsen finally called the rally to a halt. Arnie Portocarrero was the loser as the Yanks belted 17 hits.

In the other AL game Wednesday Earl Torgeson pinched a three-run homer in the seventh as Detroit edged Washington 7-4 and rookie Frank Lary won his 13th.

In the National, Milwaukee brought six Brooklyn pitchers to the mound in a 13-8 pasting of the league-leading Dodgers. New York made it three straight over Cincinnati 5-0, Philadelphia clobbered Chicago 13-2 and Pittsburgh edged St. Louis 4-3 on Johnny O'Brien's single in the 10th inning.

George Crowe hit two home runs, Eddie Mathews banged his 35th and Del Rice walloped his third in the Braves' attack that started against loser Carl Erskine. Lew Burdette, in relief of Bob Buhl, won his 11th.

The Phils had 12 hits against the Cubs' Jim Davis and three reliefers, while Murry Dickson won his 11th on a four-hitter. Stan Lopata and Jim Greengrass homered for the Phils.

Ruben Gomez shut out the Redlegs on seven hits while backed up by four double plays. The Giants chased loser Art Fowler with three runs in the first, then got two more in the eighth on rookie Gail Harris' homer.

Ohio Racing Season To End This Week

CLEVELAND—Ohio's thorough - bred season ends on Labor Day with the closing of Randall Park Race Track. Three important stakes events capped by the running of the Buckeye Handicap will be decided during the final two days of the meeting.

The others are the $15,000 Youthful Stakes for two year olds and the $10,000 added Chagrin Valley Turf Handicap.

Social Outcast, the five-year old son of Shut Out who has replaced Native Dancer as the top money winner of the Alfred Vanderbilt Stables, has been assigned the top weigh tof 126 pounds for the sixth running of the $40,000 added Buckeye Handicap which will be run off Saturday.

Indians, Chicago To Open Series; Tribe Tops Baltimore

Herb Score Pitches 3-Hitter, Adds 13 Strike Outs To Total

CLEVELAND (AP) — Young Hreb Score's sparkling three-hit victory over Baltimore Wednesday boosted the Cleveland Indians' pennant hopes as they face four games with the league-leading Chicago White Sox.

The rookie southpaw's performance — which gave Cleveland a 5-1 victory despite eight innings of hitless relief pitching by Baltimore's Hector Brown — kept the Indians on pace in the nip-and-tuck pennant drive.

Score's 13 strikeouts ran his total to 209, and he became the first pitcher to pass 200 since 1946, when Cleveland's Bob Feller set the record of 348.

Brown fanned 10, and the game total of 23 tied the modern major league mark. Brown, a righthander recently recalled from the Pacific Coast league, was wild at times, but stopped the Indians cold and retired the last 13 batters in succession.

Although he pitched eight full innings without allowing a hit, he can't get credit for a no-hitter. To get credit, a pitcher must go the full nine innings, and the last of the ninth wasn't necessary, as Cleveland won.

Score, who was knocked out of the box by the New York Yankees in the first inning last Saturday, regained his control. He had a two-hit shutout going into the ninth, but then walked two and yielded a double to Willie Miranda.

He finished with a flourish, fanning pinch hitter Bob Hale on three pitches and blazing a called third strike past Wayne Causey.

Score, who is 14-10 for the season, has now pitched three three-hitters, a two-hitter and a one-hitter.

He probably will pitch the final game against Chicago, with Early Wynn going Friday night, then Mike Garcia and Bob Lemon.

Parker's Win Class A Playoff With 5-3 Victory; Gray's, EF Win Games; Playoffs Continue

Parker's became the Class A playoff champs last night as they defeated Marshall's 5-3 for their second straight playoff win at Kelley Park. Last night the A winners topped Marshall's 4-0.

In other contests last night Grays captured the second place in the Class AA playoffs with a 4-3 win over Mark's Landing and the Electric Furnace defeated Demings 9-7 in the Industrial League playoff of the second and fourth place teams.

Parker's collected a total of nine hits as they won the A title from Marshall's. Marshall's got a run in the first inning on Chick Ivan's walk and Warrington's hit. In the third frame a walk to Allison Warrington's second hit and Sell's fly brought the other two Marshall runs in.

Parker's scored in the same innings with Sidinger's hit, Jim Beard's triple and Sam Pridon's fly getting two in the first and hits by Sidinger and Todd and Pridon's home run accounting for three in the third.

Kenny Woods hit a home run leading off for Mark's in the first inning, but a walk, F. Bolog's hit, Grime's triple and Braidic's infield out put Gray's out in front 3-1 at the end of one inning.

Mark's tied it up in the top of the second on five hits with safeties by Herman and Woods bringing in the two tallies. In the bottom of the second Ritchey bunted safely leading off and moved to second as Cameron threw past first. Andy Bolog grounded out to move Ritchey to third to score on Rhodes fly to center.

Only two hits were made in the last five innings as the two pitchers settled down. Bill Herman was the winning hurler.

The Electric Furnace got off to a six run lead in the first inning with Manning's double and triple accounting for three of the runs. A three run fifth with hits by Sutherin, Stapleton and Dave Linton making a nine run total.

Demings had a five run rally in the fifth with back to back home runs by Hahn and Mellinger sparking the attack. A walk and Bill Ehrhart's triple scored the first Deming tally in the third and hits by Lake, Rayniak, and Zocolo tallied the final in the seventh.

Bucher Names Lisbon Football Co-Captains

Keith Wolfe and Gary Johnson will serve as co-captains of the 1955 Lisbon high school football team. Lisbon Coach Bud Bucher named the pair of seniors this week.

Wolfe, a 160-pound end, and Johnson, 155-pound halfback, both played varsity ball for the Blue Devils last season.

Season tickets for Lisbon's five home games will go on sale Sept. 7 at Morgan and Hamilton Drug stores, Faculty Manager George M. Nace said yesterday.

The reserved seats cost $5 for the season and are located between the 42-yard lines.

Akron Ellet opens the home schedule Friday night, Sept. 16. Other home games are East Palestine, Oct. 7; Sebring, Oct. 14; Louisville, Oct. 21; and Wellsville, Nov. 18.

Buckeyes Begin '55 Grid Drills

Open With Nebraska At Columbus Sept. 24

COLUMBUS, Ohio (AP)—Ohio State University's national football champs begin twice-daily practice sessions today in preparation for the 1955 grid opener against Nebraska here Sept. 24.

Some 60 Buckeye football aspirants posed for press photographers yesterday in full regalia but missing from the scene were such 1954 notables as Dave Leggett, John Borton, Bobby Watkins and Dean Dugger, since graduated, and Hubert Bobo, who has dropped out of school.

The Bucks looked good — and rough—yesterday. They seemed to find just enough room in their uniforms to crowd in broad shoulders and hard leg muscles.

Although highly touted Lynn Theis came through summer final examinations with flying colors, Frank Elwood was running from the quarterback spot for the "first team" pictures, along with Howard "Hopalong" Cassady, Jerry Harkrader and fullback Don Vicic.

Watkin's No. 45 was draped around the Buck's new sophomore punter, Don Sutherin of Toronto and Dugger's All-America 83 was worn with a bit of pride by Toledo sophomore end Don Niederhauser.

Even little Tad Weed's No. 24 had been slightly inflated to fit the proportions of Elwood's 190-pound, 5-foot-11 frame.

Varsity end Bill Michael got just a bit over-excited when asked to run a series of plays for the cameramen. Bill put his helmet on backwards until loud laughter wised him up.

Coach Woody Hayes' charges will skip picture taking ceremonies today as the two-a-day practice sessions start in earnest.

CONGRATULATIONS—Bob Feller, right, holder of the one season strikeout record—348—congratulates Herb Score in the Indians dressing room after the youngster struck out 13 Baltimore Orioles to run his season total to 209. Score became the third A.L. pitcher since 1946 to strike out more than 200 batters in one season. Feller and Hal Newhouser, then of Detroit, turned the trick. Cleveland won 5-1, in Cleveland.

Stengel Says AL Race To Go Down To Wire

KANSAS CITY (AP) —"It's right down to the wire just like I've been saying for weeks."

Casey Stengel, making appropriate gestures, made the statement about the sizzling American League pennant race following his New York Yankees' 11-6 victory over the Kansas City Athletics Wednesday night.

Asked if his earlier prediction that "about 95" victories would be enough for the pennant, Casey snorted:

"Don't ask me about how many or what now. It looks like it's going to be right down to the last game. That's what I felt all along. We have got 23 more games to play and we'll shoot for every one of them."

Stengel said he still had highest regard for Chicago, Cleveland and even Boston, the latter now five games off Chicago's leading pace. The Yanks' victory Wednesday night left the Stengel crew in a second place tie with Cleveland and a half game behind Chicago.

The Yankee skipper said he planned to use Billy Martin, star second baseman of the 1953 world series, now on leave from the Army, as soon as the team gets back to New York. That figures Martin will be in the lineup against Washington Friday.

Martin, who managed and played with the Ft. Carson, Colo., service team this season, reported to the Yankees Tuesday and has worked out with the team the last two days.

Denver Beats St. Paul In American Assn. Tilt

By The Associated Press

St. Paul fans probably wish Roy Hartsfield were twins.

Hartsfield, the Saints' second baseman, socked a home run, triple, double and single against Denver in an American Association game last night, but all in vain. The Bears won, 4-3, despite his four for four showing at the plate.

As half the league completed home stands for the season, Louisville bested Toledo, 7-5; Omaha trimmed Minneapolis, 9-7, and Charleston whipped Indianapolis, 7-3.

Pitching (based on 15 decisions) Byrne, New York, 13-4, .765; Donovan, Chicago, 145, .737.

College Football Practice Opens

Oklahoma Given Nod Over Ohio State

By The Associated Press

It's Sept. 1 and with the American League pennant race hogging the sports headlines, college football pops into the picture with the opening of fall practice.

The college boys have a gimmick to snare their share of the interest. The word is out that it may be a long autumn for Ohio State, the 1954 national champion, and Notre Dame, the perennial pretender to the throne.

And with those two elevens on the fence, Oklahoma, riding a 19-game unbeaten streak, makes its big bid to reclaim the national title it last held in 1950.

The Sooners were No. 3 a year ago in the Associated Press rankings, running behind OSU and UCLA, with Notre Dame, Navy, Mississippi, Army, Maryland, Wisconsin and Arkansas filling out the top 10.

Graduation losses have pared Ohio State's hopes to Howard (Hopalong) Cassady, one of the big guys as the Buckeyes ruled the Big Ten last season with a seldom-seen sweep of seven games and then swamped Southern California in the Rose Bowl 20-7.

Michigan, packed with sophomores, Wisconsin, even without Alan (The Horse) Ameche, and Iowa figure to get into the act in the unpredictable Big Ten.

Graduation losses have chopped down the Irish too, with sophomore Coach Terry Brennan in search of a replacement for quarterback Ralph Guglielmi.

On the West Coast, UCLA again looks like the big threat for the Pacific Coast Conference crown. But Southern Cal, counting on a fleet stable of backs, also gets a nod.

In the Big Seven, as always, it's Oklahoma! The Sooners haven't lost in 47 league contests. Texas and Pittsburgh look like the only outside toughies.

In the East, the two service schools—Navy and Army—are the terrors. The Middies, the 1954 team called desire that defeated Mississippi in the Sugar Bowl, have been in practice for two weeks—a NCAA concession to schools which open early.

Georgia Tech, counting backfield speed and a big line, gets the early vote. Mississippi, not on Tech's schedule, Auburn and Kentucky also have been getting mentions.

It's still Jim Tatum's Maryland in the Atlantic Seaboard-Southern sector, with Duke and West Virginia again thumping the drums.

Texas, the big disappointment of '54, Rice and Baylor shape up as the big barriers for a repeat by Arkansas in the Southwest. The Razorbacks, with Wichita's Jack Mitchell replacing Bowden Wyatt as coach, will try on the split-T for size.

Edward E. Logue

Edward E. Logue

Edward Eugene Logue, died suddenly of a heart ailment at his home at 1401 Ridgewood at 6:40 p.m. Wednesday. He was in business with the Logue Monument Co. until 1951 when he retired due to ill health. He sold his interest in the firm to his brother, Homer.

He was born at Sligo, Pa., a son of Parmer and Ada Salyards Logue. His mother survives at Grove City, Pa. 3. Improve hospital - medical and insurance coverage.

4. Liberalize non-economic portions of the contract, which among other things gives the union for the first time the right to srike over production standards.

A dispute over the effective dates of the layoff pay plan and other economic benefits snagged the settlement beyond the midnight strike deadline and until dawn.

This is how that dispute was settled:

Chrysler will begin paying into a layoff pay plan trust fund as of today, three months after Ford and General Motors started their contributions. But benefits will become available next June 1, the same as at Ford and GM.

The first of the 6-cent "annual improvement factor" raises will be payable as of today, the second next April 1, and the third on June 1, 1957. The new contract will expire June 1, 1958.

In contrast with most of their countrymen, the Salzburgers generally regret the American departure. The Army and its dependents spent almost 30 million dollars a year there.

As a gift, the Americans are leaving a 16-million-dollar camp area.

The Big Four are also leaving behind living reminders — "occupation babies." Vienna alone has 2,300 after the troops' 10-year stay.

According to Austrian statistics, American fathers lead the list with 1,128 illegitimate children in the city. The Russians are next with 649, the British 357 and the French 166.

been trusties and that frequently had been put to use to mow the city hall lawn and wash police cruisers.

He said one prisoner, William Tyson, offered to help him (the mayor move equipment from the mayor's glass store which he is re-locating at his home. The mayor said he agreed to the man's assistance and later returned him to city hall.

Later, the mayor added, he accepted payment of a bond payment for another prisoner, Norman Oesch, and released Oesch so he could work for Leslie Hoopes & Son on the Salem sewage line project. Although the defendant had been arrested by Salem police on a drunken driving charge, the mayor had booked him as a county prisoner. When he was freed after payment of the balance of his $100 and costs fine, Sheriff Clark objected.

Mayor Cranmer declared the city of Salem has experienced only grief in caring for county prisoners wrhile trying only to be helpful.

25 Foster Children Given Free Plane Ride

LISBON — Some 25 children from Columbiana County foster homes were given a free airplane ride Wednesday by Mike Harmon, operator of Swaney Airport, just off Rt. 267 near East Liverpool, Rigby Mast, county welfare director said today.

Mast said about 24 of the foster children had not been up in a plane before. The rides were a preview of the airport's Air Fair to be held next Sunday and Monday.

County Educational Conference Is Sept. 28

The opening session of Columbiana County's White House Conference on Education will be held Wednesday, Sept. 28 at 7 p.m. at Lincoln School in Lisbon.

The aim of the county unit, part of a national association, is to acquaint the public with the needs of education. Dr. Seward Daw, schools, is county chairman. He is organizing the unit.

Cities and villages in the county are authorized to send six representatives to the county meeting, where the following subjects will be discussed:

What should the schools accomplish? In what ways can schools be organized more efficiently and economically? What are the building needs of the schools? How can enough good teachers be obtained and how can the schools keep them? What can be done to finance the schools, build and operate them? How can a continuing interest in education be maintained?

Polio Reaches Peak In Europe

430,000 Get Vaccine In Denmark, None Ill

LONDON (AP)—Polio appears to have hit its summer peak in Europe without reaching epidemic proportions anywhere. The number of cases for the year to date ranges from a low of 10 in Denmark to as high as 1,519 in England and Wales.

Only Denmark carried out a large-scale program of inoculation. The country had 120 polio cases in the same period of 1954. No polio cases have yet developed among 430,000 schoolchildren vaccinated, the Danish Health Board reported. The vaccine was produced by the Danish State Serum Institute.

Severe localized outbreaks occurred in some areas of Europe. The Bavarian Interior Ministry, for example, reported 436 cases, more than double the state's seasonal average, and 46 deaths since May 1.

Berlin reported 48 cases and 5 deaths. Glasgow reported 42 patients this week, a polio situation Deputy Health Officer W. Horne described as "rather more than we can regard as seasonal."

On the other hand, Scandinavia generally had a low number of cases. Swedish and Danish health officials explained big outbreaks in 1952 and 1953 probably imunized large sections of the population.

A European survey gave this picture:

FRANCE — 651 cases up to mid-August with the peak past and relatively few new ones expected. This compared with 448 cases last year and 1,979 in 1950. Authorities said a vaccine being developed by the Pasteur Institute was used on a very limited experimental basis.

ITALY — 1,124 cases up to Aug. 12, compared with 2,263 in 1953, an epidemic year.

BELGIUM — 127 cases up to Aug. 6, compared with 81 in the same period last year.

NETHERLANDS — 19 cases so far this year. For the whole of 1954, 331 cases were recorded.

ENGLAND AND WALES — Provisional figures showed 1,519 cases up to Aug. 6 and a Health Ministry spokesman said the trend was closely following the pattern of 1952, which was not an epidemic year.

SWEDEN — 68 cases up to mid-August, compared with 1,010 in 1954. About 2,000 schoolchildren were inoculated with Swedish-developed vaccine last spring.

NORWAY — 71 cases, compared with 193 for the same period in 1954 and 305 in 1953.

Italy, Netherlands and England are conducting vaccine studies preparatory to conducting immunization programs. Belgium and Sweden are awaiting further developments and checks on vaccines. Norway dropped plans to inoculate children with Salk vaccine this summer.

Greenford Grange Elects New Officers

GREENFORD — Officers of Greenford Grange have been elected for the coming year. Noel Slagle is master and other officers include: juvenile matron, Mrs. Donald Beardsley; overseer, Donald Beardsley; lecturer, William Charlton; steward, Robert Shepherd; assistant steward, James Baxter; chaplain, Vesta Kindig; treasurer, Harvey Paulin; secretary, Roland McIntyre; gatekeeper, Carl Hively; Ceres, Janet Paulin; Pomona, Virginia Lodwick; Flora, Mrs. Harvey Paulin; lady assistant pianist, Leland Beardsley; chorister, Donna Baxter; executive committee, Robert Shepherd; and financial secretary, Mrs. Edith Weikart.

Mrs. Clyde Feicht was hostess to the Jolly Time Club associates of Washingtonville at her home last Monday evening with Mrs. Blair Bensinger as a guest. Games were enjoyed with prizes of cards going to Mrs. William Grim, Mrs. Howard Feicht and Mrs. Walter Warner. Mrs. Howard Feicht will entertain at the next meeting.

Anne and June Bailey gave a demonstration in the field of sewing at the Ohio State Fair Saturday. Kathy Groves and Carol Ann Puttkamer also gave one in arranging flowers which is classed as homemaking.

A large number of relatives and friends were entertained at a wiener roast recently at the home of Mr. and Mrs. Howard Feicht, when Mr. and Mrs. James Feicht were honored at a stork shower. Among those attending were Mr. and Mrs. Myron Whinnery of Winona, Mr. and Mrs. Bert Cobourn, Mr. and Mrs. Vernon Feicht and children, Mr. and Mrs. A. G. Cobourn of Canfield, Mr. and Mrs. Clyde Sigle, Mr. and Mrs. Ernest Sigle, and Ernest and Ernestine Sigle, Mr. and Mrs. George Sigle, Mr. and Mrs. Leroy Hoskins, Mr. and Mrs. Richard Smith, Mr. and Mrs. John McCabe and Patty Fast and William Ferguson. Birthdays of Mrs. A. G. Cobourn, Mrs. Myron Whinnery, and Larry Feicht were honored with birthday cakes. Bruce Feicht and William Ferguson who will soon enroll at Mt. Union College were also honored.

Young people of the Locust Grove Baptist Church will have a tent at the Canfield Fair, hoping to swell two funds: the organ and the improvement fund.

Time For Plum Jam, Jelly

Purple plums are in every market now and that means it's jam and jelly time. So let's get going.

Plum Jelly, Jam

Yield: about 10 medium glasses (5 pounds) jelly and 12 medium glasses (6 pounds) jam.

Requires: about 4 pounds ripe Italian prune plums, 8 lemons, 6½ pounds sugar and 1 bottle liquid fruit pectin.

First, prepare the fruit. Crush (do not peel or pit) about 4 pounds fully ripe Italian prune plums. Add 2 cups water; bring to a boil and simmer, covered, 15 minutes. Place in a large sieve lined with a double thickness of cheesecloth. Stir, but do not press. Drain and measure 3½ cups juice into a very large saucepan. Remove pits from pulp. Use juice for making jelly; use pulp remaining in sieve for making jam.

Plum Jelly

Three and one-half cups plum juice, 7½ cups (3¼ pounds) sugar, ½ cup lemon juice (4 lemons), ½ bottle liquid fruit pectin.

Second, make the jelly. To plum juice in saucepan, add sugar and mix well. Squeeze and strain the juice from 4 medium-sized lemons. Measue ½ cup into saucepan with plum juice and sugar. Place over high heat and bring to a boil, stirring constantly. At once stir in liquid fruit pectin. Then bring to a full rolling boil, and boil hard 1 minute, stirring constantly. Remove from heat, skm off foam with metal spoon, and pour quickly into glasses. Cover jelly at once with ⅛-inch hot paraffin.

Plum Jam

Four cups plum pulp, 7½-cups (3¼ pounds) sugar, ½ cup lemon juice (4 lemons), ½ bottle liquid fruit pectin.

Then make the jam. Measure plum pulp and sugar into a very large saucepan and mix well. Squeeze and strain the juice from 4 medium-sized lemons. Measure ½ cup into saucepan with pulp and sugar. Place over high heat, bring to a full rolling boil, and boil hard 1 minute, stirring constantly. Remove from heat and at once stir in liquid fruit pectin. Skim off foam with metal spoon. Then stir and skim by turns for 5 minutes to cool slightly, to prevent floating fruit. Ladle quickly into glasses. Cover jam at once with ⅛-inch hot paraffin.

Orange Banana Western Delight

Our Los Angeles friend, Gertrude Austin, says we should try her new hot-weather tre .taSo let's do it.

Here's the secret: It's really a combination of whole California oranges with bananas and milk. To make it, peel and dice 2 oranges, drop them into a blender and turn on low for 1 minute, then to high for 2 minutes.

Add a banana, quartered; ¼ cup sugar, 1 cup milk and about 2 cups crushed ice. Turn blender on low for 60 seconds. That's all there is to it! Pour into chilled glasses and serve with sugar cookies.

Vanilla-Nut Cookies

Two and one-quarter cups sifted all-purpose flour, 1 teaspoon baking powder, ¼ teaspoon salt, ¾ cup butter or margarine, ¾ cup sugar, 1½ teaspoons pure vanilla extract, 1 egg, ½ cup chopped nuts.

Sift first 3 ingredients together and set aside for later use. Cream butter or margarine with sugar and pure vanilla extract. Beat in egg. Gradually stir in nuts and flour mixture. Shape into 2 rolls, 2 inches in diameter. Wrap in aluminum foil. Chill overnight or until ready to use. Slice ⅛-inch thick. Bake 5 to 6 minutes in a preheated hot oven.

Estimate 32 Violent Deaths Holiday Weekend

CLEVELND (AP)—The Ohio State Safety Council estimates 32 persons will meet violent death in the state over the three - day Labor Day weekend.

This is the same number as last year, but the council says this year's pattern may be a bit different.

During the last Labor Day week end, there were 15 traffic deaths, 10 drownings and fatalities from miscellaneous causes.

Henri Marc, council president, terming the number of traffic fatalities unusually low, said there was reason to doubt Ohio's figure would be as low this year.

He estimated that during the coming holiday weekend, 22 persons will be killed on the highways, 5 will be drowned and 5 will meet death from miscellaneous causes.

Frankfurters Best Laden With Coney Sauce

The time to really enjoy an outdoor coney roast is here.

This recipe makes enough sauce for 10 to 12 buns and can be prepared in very little time.

All the family will like them and the cook will be fresh and rested and able to enjoy the treat, too.

Use: 2 tablepoons butter or margarine, ½ cup chopped onions, 1 pound ground beef (round or chuck), 1 teaspoon salt, 2 teaspoon paprika, 2 teaspoons chili powder, 1 cup catsup, 1½ cups water, 10-12 Frankfurters, cooked, 10-12 Frankfurter rolls, split.

To make chili: In a saucepan, melt butter over low heat. Add onions and cook until softened. Stir in meat, salt, paprika, and chili powder. Cook over moderate heat until meat is slightly browned, stirring occasionally. Blend in catsup and water. Bring to boil, then cook over low heat 20 to 30 minutes, stirring occasionally. If the mixture becomes too thick, add a little water.

To serve, place a piping hot frankfurter in each split roll. Spoon some chili over each frankfurter. Serve immediately.

Excellent Castle Put Up For Sale

MUNICH, Germany (AP)—One of the world's newest castles—in tiptop condition and only 16 years old—is up for sale. The price is upwards of $1,200,000.

This includes a beautiful view of the Starnberger See, but doesn't cover the luxurious extras: refrigerators, furniture, rugs, linen and paintings. The price tag on these items is a minimum of $80,000.

The squat, onion-turreted castle belonged to the late Wilhelmina Busch-Woods, daughter of German born Adolphus Busch, a cofounder of the AnheuserBusch brewery in St. Louis, Mo. Wilhelmina was born in St. Louis, but preferred "romantic Germany"—as she put it.

In 1937, she ordered Castle Hoehenried constructed. Wilhelmina died in 1952 at the age of 68. The castle became the property of her third husband, Sam E. Woods (born in Starville, Tex.) resident general in Munich from 1947 to 1952. He died at 61 in 1953, and the castle passed on to six of his heirs including his wife before he married Wilhelmina — Mrs. Milada Paula Woods of Santa Monica, Calif.

Taxes and upkeep caused the heirs to decide to unload. The auction of furnishings begins Sept. 6. Bids on the castle will be accepted any time.

775 KILLED!

● In just 6 days—over the last Memorial Day and July 4th week-ends—775 motorists were killed, and more than 25,000 were maimed and injured! Now, with the Labor Day week-end ahead, "kid stuff" drivers could boost those figures even higher! They'll be out in force, speeding senselessly, forcing good drivers to double their caution. If juvenile-minded drivers acted their age, more motorists would enjoy every day of this holiday week-end.

Cantaloupe Sherbet Delightful Novelty

Here's a delightful dessert you may never have enjoyed. Better try it now while cantaloupe is still in season.

Cantaloupe Sherbet

Two cups water, 1½ cups sugar, 1 envelope unflavored gelatin, ¼ cup cold water, ½ cup fresh lemon juice, ½ teaspoon grated lemon rind, ⅛ teaspoon salt, 2 cups mashed very ripe cantaloupe, 2 egg whites, ¼ cup sugar.

Boil water and sugar together 5 minutes. Remove from heat Cool slightly. Soften gelatin in cold water, add to hot syrup along with lemon juice, lemon rind and salt. Pour into two 4-cup freezing trays. Place in freezer until mixture has frozen to mush.

Turn mixture into a bowl. Mix well. Fold in mashed cantaloupe and egg whites into which the remaining ¼ cup sugar has been beaten. Return to freezing trays.

Freeze again until firm and ready to serve, stirring well one time during this freezing period, while mixture is still in a mushy state. Remove from freezer and let stand at room temperature 20 to 30 minutes to soften for easy eating. Serve in sherbet glasses.

Grape Tart

One and one-half cups water, 1-16 teaspoon salt, ¾ cup sugar, 1 tablespoon fresh lemon juice, 2½ cups diced firm ripe fresh pears, 23 cup fresh green seedless grapes, 1½ tablespoons cornstarch, 3 tablepoons water, ¼ teapoon grated lemon rind, 4 baked tart shells.

Mix first 4 ingredients in a sauce pan. Boil 3 minutes. Add pears and cook only until tender, 4 to 5 minutes. Remove pears and divide equally among 4 baked tart shells. Top with grapes. Blend cornstarch with water and gradually stir into syrup. Cook until thickened and clear.

Remove from heat. Stir in grated lemon rind. Pour over fruit that is in the tart shells. Serve cold.

Note: Make tart shells from your favorite pie-crust mix. Follow directions on the package.

Mushroom Sauce Tasty On Casserole

For a different yet very satisfying Sunday dinner treat, try curried chicken or turkey in a casserole. With it serve a fresh mushroom sauce.

Chicken Casserole

One cup milk, 1 cup chicken or turkey broth, 2 tablespoons butter or margarine, 2 cups soft bread crumbs, ½ teaspoon salt, ⅛ teaspoon ground black pepper, 2 teaspoons curry powder, 2 cups diced chicken or turkey, 5 eggs, separated; fresh mushroom sauce.

Heat milk and chicken or turkey broth. Add butter or margarine, bread crumbs, seasonings and chicken or turkey. Beat egg yolks Stir into the mixture. Cook over low heat until thickened, about 5 minutes, stirring constantly.

Beat egg whites until they stand in soft peaks and fold into the mixture. Turn into an ungreased 1½-quart casserole. Bake in a pan of hot water. Bake 75 minutes (1¼ hours) or until a knife inserted in center comes out clean. Serve at once with mushroom sauce.

Mushroom Sauce

One cup sliced fresh mushrooms, 1-3 cup butter or margarine, ¼ cup flour, 2 1-3 cups chicken or turkey broth, ½ cup milk, ½ teaspoon salt, 1-16 teaspoon ground black pepper, ¼ teaspoon whole celery seed, chopped fresh parsley.

Saute mushrooms in butter or margarine. Blend in flour. Gradually stir in chicken or turkey broth and milk. Add seasonings. Cook until medium thickness, stirring constantly. Serve over hot curried chicken or turkey in casserole. Garnish with fresh parsley.

LEGAL NOTICE

NOTICE OF FILING OF APPLICATION TO RELIEVE ESTATE FROM ADMINISTRATION NO. 51676

Probate Court, Columbiana County, Ohio.

In the matter of the estate of Winifred L. Hill, deceased.

To all parties interested in the estate of Winifred L. Hill, deceased:

You are hereby notified that on the 24th day of August, 1955, an application was filed by Hazel F. Linn, in the Probate Court of said County, to relieve from administration the estate of said decedent.

Said application will be for hearing before said Court on the 23rd day of September, 1955, at 1:00 o'clock p. m.

Witness my signature and the seal of said Court this 24th day of August, 1955.

(SEAL)

LOUIS TOBIN.
Probate Judge.

Caplan and Caplan, Attorneys.
Salem News. September 1, 18, 15, 1955

LEGAL NOTICE OF HEARING

To all property owners in that portion of the unincorporated Village of Damascus and vicinity, in Butler Township, Columbiana County, Ohio.

You are hereby notified that the undersigned has fixed the 14th. day of September, 1955, at eight o'clock p. m., in the basement of Damascus Methodist Church, as a time and place when persons will be heard touching matters effected by the improvement petitioned for, and filed in this office, for the establishment of district for artificial lighting by electricity upon public ways and within area described as follows:

Metes And Bounds

East—State Route 62 and adjacent to lands of Donald Cobbs.

West—State Route 62 and adjacent to lands of Earl Santee, near Smith-Goshen Road.

North—State Route 62.

South—Adjacent to lands of J. H. Cameron and Crawford Brantingham.

Be informed that due to the fact that Damascus is located partly in Goshen Township, Mahoning County and partly in Butler Township, Columbiana County; co-operation was previously necessary, therefore the whole lighting district extends to the last light of each of the four directions from approximately center of Village.

In compliance with legal requirements under provisions of Section 515.02 et seq. of the Revised Code, said hearing only concerns those owning property located in Butler Township, for re-establishment of officially termed, Damascus Lighting District.

R. R. BARBER,
Clerk of Butler Township, Columbiana County, Ohio.
